FOREWORD

Evocative Verses of Sublimity

The 17th poetry collection book titled "My Soul Glitters" delineated by the respected poet Dr K K Mathew is a creative venture containing contemporary events of various hues and colours. This incredible poetic personality has taken the poetry world by storm through his comprehensive and holistic knowledge which he converted to compose poems of exquisite and elegant pedigrees. The highlights of his poems are their simple style, tremendous versatility, lovely candour, social concerns, humanitarian wavelengths, compassionate tone and tenor, ingenious structure, skillful verification and unparalleled uniqueness. In this poetry collection book also he maintains the same intensity in relation to his poems. Today, his poems touch upon themes of myriad nature in every step of the way.

The main characteristics of his poems in this poetry collection book are

(1) Creative Positivity.

The poems in this book are renowned for their ability to brighten up the drooping spirit through their positive sound bytes. The positive nature of creativity does bring a whiff of fresh air to one and all. When poems are written with the aim of bringing peace and tranquility to this world, then that task can adduce the world with that foundational robustness.

(2) Objective Presentation

Poetry writing without bias is a hard thing to accomplish in today's world of so many pulls and pressures but in this collection we come across poems which do show solidarity to those people who are the last, the least and the lost. These poems look at human problems from the perspective of universal scheme of things. The fundamental aspects of life are stressed here in these

poems in an overwhelming manner.

(3)Clarion Call to Pursue the Path of Righteousness.

The basic human emotions do take the centre of gravity in these poems. The poems revolve around the daily trials and tribulations encountered by human beings who are caught up in a vicious circle of no return but ultimately, the trajectory of good will definitely triumph over falsehood or sophistry.

(4)Verses of Hope

The period of uncertainty through which we go through at present is not going to last forever. This winter of bitter nature does come to a halt and we shall overcome all the difficulties and obstacles that we are exposed to at present. The things that unfold around us are presented through the poems of this book with a sense of deep understanding and foresight.

Through the publication of this poetry collection book, Dr K K Mathew has established himself as a poetic figure of global reach and propagation. I hope and wish that he notches up further successes in the world of poetry. My best wishes to him in all his poetic voyages in the future.
Dr. Cijo Joseph Chennelil.

A PLEA TO GOD

Oh! Lord have mercy up on us
We beseech thee, the microscopic
Virus conquers earth, all are panicky,
The big and small nations, all are
Helpless, nobody to help us except
You only, you only our savior, we
Have erred, we have gone astray,
Father, we surrender totally before
Your holy feet, we repent, we are
On the brink of total disaster, all
Of us may be eliminated from the
Planet, we now realize, world and
Worldly are nothing, the greed of
Us doesn't fetch anything, all are
Perishable, it is you and yours only
Eternal, we now know, our hearts
Must be the home of you; Lord
We plead from the depth of our
Broken hearts, you forgive us, we
Beg your pardon, forget all the
Misdeeds we did, we now change
Focus of our hearts from the world
To you, we are trying our level best
To develop extreme passion for you,
We earnestly crave for your caress on
Our wounded hearts and bless us, Lord,
We pray for divine intervention, the killer
Coronavirus eliminated from earth forever;
Thank you dear father, we beseech thee.

BALANCED

Life a balance straight, when up
There is down, for down there is
Up, God has made in such a way,
Man to tackle any adversity that
Comes on his way, man to be sharp
And cleaver to win over the hurdles
In front, for every adversity, surely
There is a way out, for every dreadful
Disease, treatment undetected, there
Is a plant in nature, the cure, even in the
'Silent Valley', man to find out the way
Out himself, if not possible, call God,
The remedy before man, grab it, and
Stride successfully on the path in front,
The way to scale heights, life is fruitful.

COME DOWN

Come down, the great realisation
That what real is inside you, the
Depth in you, you know yourself,
You know what you are, it is the
Wisdom, you realise the truth in
You, the God who resides in you,
For that you must come down to
The depth in you, not upward or
Outward; you realize, the truth is
The treasure, not what you see in
The world, not in heights, only at
The bottom; then you know, living
Like natural man, with heart at the
Bottom, a life without any tension or
Worry, then you always look at the
Bottom, you find truth in the poor
And downtrodden, you always feel
Like simplicity, modesty as God is
Simple and at the bottom only, doing
Something good for others is wealth.

CORONA HAS A POINT

Dirty corona has a point to be reckoned
It makes man united one to fight against
The gulf between rich and poor gone
The rich nation and the poor nation one
The envy, the egoism, the hatred vanished
The super nuclear powers hide in burrows
The hunger stricken in Somalia stand erect,
The realisation, rituals nothing before God, as
Rituals fear Corona, and stopped time being,
The power of money gone, as big celebrations,
Extravagant show of wedding, housewarming,
Funeral, baptism all vanish before Corona, the
Realisation, God the mightiest comes in man,
Man, realise the great truth that is lost in you.

CURFEW DICTUM OF PRAYER

March 22, a day of curfew in India
As declared by honourable PM,
A landmark day for conquering
Corona, I exhort intensive prayer
One day to save us from the killer,
Let God's hands of mercy touch on
Grieved hearts, peace and love
Instilled in hearts, let His mighty
Hands wipe out the Corona from
Earth, the fright driven out from
Us, let the world live in peace and
Love; I request the U.N. to observe
A day of prayer everywhere, man
Comes close to God, the total cure
For all maladies man facing, a new
Era to begin, a new world to be built.

DEATH IS FAKE

There is no dearth for the one
Who has travelled to the end
Of the journey in life, the one
Found out the purpose of life
That is the Truth, he knows the
Truth is everything, he has in him,
He sees, the so called death is fake,
It is like the cloths changed; the body,
Lifeless, perishable, removed, while
The truth, the soul in eternity living
Forever; one should be happy, soul
Is set free from the heavy body, free
To move, it floats in eternity forever.

DEEP INTO CORONA

Corona a mystery, detected and confirmed
In Wuhan in December 2019, spread to every
Nook and corner of earth, makes the whole
World panicky, hiding in homes, such a thing
Unheard in the past, everyone thinks of quite
Uncertainty, what happens tomorrow, nobody
Knows, the rich, the mighty, the most beautiful
Knows he or she is nothing, the dust on earth.
How Corona spread everywhere in short time?
Without the influence of something above it won't
Spread so quickly, in New York, isolation wards full,
General wards with Corona patients; once man learns
The great truth, definitely there is divine intervention.

ECHO

My soul echoes the sweet melody from heaven
That heard in heart and it sings, it too echoes
The echo fills the interior of me, me sweetened,
Honey drips in my soul, that falls in my heart
It also echo, I love loneliness, I sit alone in silence
For long, silence the sweetest, it talks to me, I hear
The echoes together, the melodious sound, too
Soft and only I could hear the music of echo, that
Soothes the interior of me, fills it with honey, the
Silence, my companion, with me always, silence
The integral part of me, a heaven to me, hardly
I utter words to anyone, but the echo, its music,
Me in exuberance, I enjoy very much, I can only
Write it, the echo of my heart, the echo of my
Soul, the echo takes me to the horizon of love,
The divine love of nature that I see everywhere,
I float in that love, it flows gently, it takes me to
The infinity where I realize, I am nothing, I am
In it, dissolved in it, a tiny dew, in the vast infinity.

BRIGHTENED HOPE

Subdued heart before Corona
Wakes up, a ray of hope sparkles
At far, a twinkling star behind the
Dark clouds, the clouds strike each
Other, bombards, the darkness more
Now, the lightning strikes the earth
Followed by the thunder, it shakes the
Earth, the clouds frightened flee, the
Star brightened, it glitters, sends ray
Of hope, the corona must run away,
Darkness fades, the ray of hope spreads
Everywhere, the sky is clear but it rains.

HEART DANCING

Heart thumps, it sings
When body suffers
It is the glory of heart
The great wealth here
The joy of heart is the
Joy in God, joy in His
Love, the realization,
Faith in God the true
Victor, a strong rope
That lifts heart up and
Up from the suffering
The world has, the body
Has, nothing touch on it,
The heart with the soul
Together, singing and
Dancing much above the
The pain and the suffering
Of the body and the world.

HEART DREAMS

The sweet melody of heart
I hear, heart dozes, the sweet
One, soul too sedated, the
Misty feel I get, the misty music
That stimulates heart, it wears
Wings, it takes me to the
Level of exuberance that I
Am in the midst of happiness;
My eyes can't see anything
But my heart sees everything,
My heart flies to the zone of
Deep love that is mixed with
Divinity, my heart opens, love
Flows everywhere, the stream
Of love where I dissolved in it.

HEART WEEPS

Heart weeps, soul sheds tears
Heart moved, soul shattered
Where heart to, where soul to?
We at the bottom of the earth
Corona on the top, it is invisible
Spreads at fastest pace everywhere
Man cannot tackle, as it is invisible
Too fast to cope with, drugs being
Tried, too difficult to reach it as it
Escapes by whisker, the earth boils.
What to do, it kills so many, it flies
In air, it might engulf the planet,
Earth revolves on axis around the sun
Sun sends its rays to safeguard man,
It could kill the detrimental agents to
Some extent, then what about its creator?
Nothing will happen without His knowing,
He is invisible, the mightiest, the invisible
Corona will crumble if the invisible power
In every heart, Corona runs away; why can't
Man realize it, hurry up, have invisible power
In your heart, the invisible Corona driven out.

HOW I SEE

I see not with my eyes
I hear not with my ears
Outer eyes, ears for living
Only, not for my perception,
It is the truth, I won't bluff.
I see with heart that is deep
I hear with it at depth, seeing,
Hearing with heart much vivid
Than with outer senses, more
Beautiful than it in outer world.
What heart sees or hears is the
Wisdom, it is God talks, the bliss;
Immutable faith in God, the basis,
Worldly passions vanish, deep senses
Open, one sees and hears in depth.

I PRAY FOR YOU

The best gift I give you, I pray for you
Every moment with my heart, the safety
Of you, the well-being of you, the prosperity
Of you; with my soul I have entrusted you in
The safe hands of God, what else I could do
For you, simply nothing; as with God, why
Should you worry, Corona may come and
Go, but God is with you like a rock, it is the
Time you develop unbroken faith in God,
The greatest shield on earth to guard you,
To guide you; come on, be courageous to
Face anything that may come against you,
Fright is fake, it is nothing, it is devil that
Spoils your beautiful heart, live without it.

IS CRITICISING OTHERS GOOD?

Criticism and advice different,
Pointing out the defect is advice
Advice is to correct; continuous
Criticism not good, it tarnishes,
Respect the integrity of everyone,
Everyone has individuality, that
To be safeguarded at any cost.
Before criticising anyone, I must
Ask myself 'Am I perfect?' if the
Answer 'no' no criticism from me!

JESUS

He is not a figure, nor a power,
Something more, more and more
That has no end, no beginning, the
Infinity, much more than that, I have
No words to describe, I am really
Helpless to do that, hence I stop it.
I was born in Him, I live in Him, I
Live with Him, I live for Him and I
Die in Him; but for Him I am nothing,
A big zero; He dictates, I copy that,
It is my poetry, He tells and I treat
The sick, He whispers and I invent, It
Is my story, He talks to me daily, I taste
Him, I relish Him, I am the luckiest in
The world, I live happily in Him forever.

LOVE OF SOUL

The two far apart, two oceans
Between them, their souls tied
With unbroken chain of love and
Faith, they haven't met directly,
Both are doctors fighting against
COVID 19 in two different countries,
They see each other through their
Soul, Helen the sweet thirty in Italy
Loves ardently John the sweet forty
On a mission to fight against Corona
In New York, Helen works day and
Night restlessly saved many patients
With Corona, hardly she had food,
She couldn't call John for long, but
John in charge of isolation ward full
With Corona patients, actively engaged
In saving every patient admitted there.
Helen sees John in all patients, she is
Treating, while John sensed Helen in
The multitude of patients, he treats,
Their love blossomed when many saved
Through them, weeks of hard work put
Them with corona, John called her with
Shaking hands holding mobile phone
"We shall meet on the other world, Helen
Heard it but she managed to utter "Y..e..s".

LOVE SUBDUES CORONA

Love, love God, love others
A great force to reckon with
As it forms a great fort around
As corona arose from loveless
Hearts, dirt there was its origin,
Dirt filled heart, virus multiplied
Virus mutates, virus spreads to
Every nook and corner; love to
God, faith in Him, plea to Him,
Love to others, love to rulers,
Love turns faith in them, obey
Them strictly, the only way out.

MOTHERLY

Motherly is mind-blowing,
Mother's food, so delicious
Memory goes past many years,
She calling me, honey in heart
The voice so soothing to soul
The love, a fountain showered,
Her kiss on cheek, the sweetest
Her kindness always unparalleled,
Her forgiveness, quite unthinkable,
Relaxing with head on her lap, a bliss,
Caressing through my hair, so loving,
Mom, your memory always sweet dish.

MY HEART

That beats and beats for me
That sings for me, the beautiful
Poem of heart that I write and I
Sing, the music of it absorbed
In me, my blood vessels too
Pulsate and sing, me a poem
Of heart that emits sweetness
In me, the poem of heart full
Of love that flows in every part
Of me, the heartbeats always
Echo the sweetness of my soul
I flow in the blood that paints
Love in letters of what heart writes.

MY SEARCH

Life a diamond in the depth of soil
Covered by so much of dirt above,
Dug it very deep, soil removed layer
By layer and at last got it covered by
Dirt, purified it shines, the valuable
Stone worth million; life a search,
Search for the better and then for
The best, the search one after the
Other, continuous, nonstop, scaling
Heights and heights to the peak, the
Rope I used here for not falling down
Was my faith in God that kept me up
Always, I jumped from one site to the
Other up, always moving forward
And upward, clinging tightly on the
Rope that became stronger as I
Moved on; the dirt all removed from
My heart by the scalpel faith, my
Search continued and I secured the
Diamond, the Truth; search continues..

MY SOUL

The beauty in me that God gifted
The melodious centre that always
Sings in me, it is the echo from
Heaven that is bestowed in me,
The most beautiful, the soul
The most glittering, the soul
The most fragrant it is, I see it
Every moment, I relish it, I taste it
It picks me up above everything in
The world, it is what I do not know,
But one thing for sure, I live with it only,
But for it, unthinkable, it is my only
Wealth, it teaches me, it guides me
And nurses me, I could sing its beauty,
I write its greatness; it is what I am.

NATURE IN MY HEART

My heart sees the beauty of nature
Which my outer eyes couldn't pick,
My heart assimilates the cream of it
The beauty magnified in heart which
Picks the deep colours as glorified
Painting of exciting beauty, I visualise
The beach of heart, sands are made
Of Gold, Jewels glittering, leaves of
Palm trees flutter, I realize, it is the
Heavenly beauty inside my heart
Which my outer eyes couldn't pick,
The analysis of the cream of beauty
Done by my heart which I perceived;
It is so mesmerising, the feel of God
Felt, it is God only, the nature heaven,
I realised it, so astonishing, God is
Here, the whole nature is God only,
I write it, the poetry of my heart, it
Is a painting with pleasing colours, it
Is so fragrant inside, nature smiling
At me, I feel God embracing me, I am
In the hold of God for long, relishing
The sweetness of God, I sing my poetry
Of nature again and again, I feel the mighty
God again and again, I am absorbed in it.

NEED OF THE HOUR

The whole world flee from the tiniest Corona
Where is your power, where is your wealth?
Where is your brilliance, where is your beauty?
Where is your egoism, where is your greed?
Simply nothing I must say, all are perishable
The only one that is eternal, non-perishable
Is love, as God is love; let our hearts open
And realize the truth and hold on God tightly,
It is love embedded in our hearts, our home
Is love only; God speaks through government,
Stay at your home of love, obey strictly what
Government says as it is love speaking, it is God
Speaking, absorbed fully in love of home, that
Is God in home, constantly communicate with
Him; you are relieved greatly and you are saved.

NEVER LOOK BACK

To be upward, not downward
Always forward, never backward
Head to be up, not down, never
Give up, try again and again, seek
And seek, you will find, keep knocking
At the door, it will open, be a fighting
Warrior, win or die; stretch mind to maximum,
Strive hard in life, never get loose, repeated
Failures frame one to success; when God
Is in you, share everything with Him,
He runs for you, He does everything for you.

NUTSHELL OF CORONA

God created man in His image
He wanted man to be with Him
But man erred, he ran away from
God, he moved away and away,
Dirt multiplied in him as decades
Passed on, God wept, He eagerly
Waiting for man to correct himself
And go back to Him, God still
Waiting for man, but God won't
Correct man, man has to repent
The misdeeds, make efforts to
Correct himself, go back to God.
Corona the big opportunity God
Gives, man to go back to Him, once
Man on the right path, there is
Divine intervention, Corona expelled,
Man goes back to the beginning,
With God, in God and for God always.

PATIENCE

The art of stretching the mind
Maximum to contain anything
That may come on its way is a
Great boon man can have in
His life on earth that comes
When mind becomes soft and
Tender, flexible, elongated to
Welcome hostility, anger, grief
Or despair that can't touch mind,
But mind embraces them with soft
Caress; the softness and flexibility
Of mind occurs when the hardness
Of it with worldly passions subdued
By intense faith in God, that is the
Strength, interlaces with interior of
Mind, makes it soft and flexible and
Human life becomes heavenly with
Nothing adverse against it at any time.

POETRY PAINTS

Poetry paints in heart beautiful pictures
It dwells upon soul with pleasing colours
The pictures read the beauty of heart,
The beauty of soul, the unseen seen on
The paper, each letter paints hundred
Paintings, that paints life with so much
Of colours, heart and soul absorbed in
Colours, life most beautiful, the future
Looked in colours, so hopeful, absolutely
Beautiful, life thrilled, smooth the living.

POWERFUL LINES

Heart writes, that beats on soul
The sound echoes, that spreads
Everywhere, it is lightning thunder,
Strikes on hearts in depth, so bright
It whitens darkness, it passes in sky,
A comet that bombards, its spikes
Scattered in the sky and falls on the
Hearts of everyone who reads lines,
So pleasing the hearts, truth coming
Out from the letters, lines glitter ever,
Heal the wounded heart, sooth the
Torn soul, lines bleed, blood streams
Out, it flows past decades incessantly.

PROTECTION

World now panicky, the big and small
No safety, no protection, prevention
Only for Corona, no drug available, the
Life on earth most unsafe, what happens
Tomorrow, nobody knows, so uncertain
The life on earth, today everyone hiding
In burrows, fear to come out, life is so
Distressing, fear, apprehension, distress
Surround human mind, infiltrate into mind.
How to come out of it, the big answer to you
The great truth, build the great fort around
Heart, the God, His strong arms around you,
The strongest fort around you, Corona can't
Pierce it, I assure you, you are absolutely safe.

Copyright © My Soul Glitters, Dr. K. K. Mathew

RHYTHMICAL

Rhythmical everything, heart beats
In rhythm, earth revolves rhythmically
Around the sun, all planets do like that,
Heartbeats murmur, the music of heart,
Music of rhythm, too soft, subtle to hear,
When revolves or beats, it is the sound
Of soul, its pulsation, each beat love only,
Heart beats with love, soul pulsates in love,
Each revolving deep love only, so meticulous
The love does with the music that played
Round the clock, love never fails, planets
Do not fall down, heart doesn't fail, breathing
Not stopped, the universe dances, each step
Rhythmical, music played and earth survives.

SAFETY

To be safe one wants always
What not safe one tries to avoid
But safety beyond man's reach
It can become unsafe any moment,
World cannot provide safety as it is
Turbulent, the earth perishable and
Unsafe, while safety a big question.
The unseen a mystery, that is safe
As nothing could attack it, as it is beyond
Any perception, it is much more safe than
What is seen, it is not perishable, not crumbling
On pressure, it is eternal, trustful, be with you
Always; hold on it so tightly, you will be safe ever.

Copyright © My Soul Glitters, Dr. K. K. Mathew

SPIRITUAL CONTENTMENT

You will never get it from the world,
What world and worldly give you
Only worry, always mind is tense,
Mind always a sea with tidal waves
Never it is calm, never the worries
Subside, no contentment whatsoever
At any time, it becomes a day dream.
What inside is the spiritual world and
What outside the worldly; if the worldly
Gone by spiritual faith, God at the centre
Guides you and guards you, you go to the
Peak of spiritual contentment as God in you.

SUBLIME

At the top, still going high
The kite high up in the sky
Nothing can reach it, glorious
Its look; glory with greatness;
The mountain top majestic,
It is calm, quiet and tranquil
So great its look, never it will
Yield, magnificent, a wonder;
Sublime I think, sublime my love,
My feelings also superior, I myself
Feel, God has gifted me something
Majestic, something royal and I
Believe, God has lifted me high up
And provided me sublime what all
I asked for; sublimity exists with touch
Of God only, it is purely God's grace!

TERRORISM

Ignorance to realize the truth
The great havoc, brain washed
The youngsters with false notions,
Tutored to believe the falsehood
The root of violence that spreads
Like bushfire engulfing every part
Of earth with aspiration of getting
Salvation and reaching heaven, live
There, the eternity forever for them;
Killing the enemy, salvation waiting
For them, youngsters sent with the
False doctrine, washed their brain
With and they massacre everyone
They see, bombard other's property,
The more they kill, the more the
Salvation they get, the devils on
Rampage, they enjoy bloodshed.
How to prevent it is disaster, the big
Question; only by mass education
Through media or visual media, a must.

THE BIG LAPSE OF THE CENTURY

The big lapse cost the world heavily,
Inattention, absence of agility put the
Planet in utter disaster; Corona was
Confirmed in Wuhan in the end of
December last, news papers reported
Many will leave China to celebrate the
New year; reading it my heart spoke,
What a disaster to come; the world
Must have noted the gravity of it and
Blocked the entry of these Chinese
Citizens in other countries, but it didn't
Happen, leading the whole world landing
In big catastrophe; the big lapse of the century.

THE BIG UNCERTAINTY

The truth of world known only today
Man advanced in science, technology
But he forgets the basics, how to tackle
Corona, hence Italy, the U.S. badly hit,
World is panicky, the real heartbeats
Felt only today; the greed of man ceases
Today, heartbeats much faster than before,
What to do world is confused, what happens
Tomorrow nobody knows, the big uncertainty;
Man to look up and plead, so sure God will
Come down, heal the wounds, guide and guard.

THE CROSS IN MY HEART

What I see daily inside me,
In my heart, the cross painted
With blood of holy heart, that
I see daily with deep senses;
It gives me courage to face the
Ordeal that stands against me,
I see the blood dripping from
The wooden plank, it flows to
The depth of me, it flows
To every cell in me, I am a new
Being, so energetic and bold
As His blood in me, I could
Withstand anything adverse;
The cross in me stands for the
Blood He shed for me, the agape
That makes the love in me great;
I live merrily in the shade of cross.

THE FLAME

Sweetened memory a flame
That glows in heart forever
The sweetness in every cell of
Me, it never decays, never fades,
It energizes heart, refreshes soul;
Faraway in the midst of forgetfulness,
The love flames, the love blossoms,
Without the body, but the soul around
Embraces, me in the grip of deep love
That dissolved in me, the sweetened
Memory enough, no food or drink needed,
I live merrily on it, too sweet, it is heaven.

GREAT HEART

It elongates, could be stretched,
It dilates and it accommodates
To the maximum, such a heart
Is the great one, this heart also
Contracts or shrinks to maximum.
The heart muscles are so flexible,
Very soft, tender, it oozes out blood
That streams out, flows everywhere,
The muscles contain anything adverse
To maximum; extreme love is its core,
Forgiveness its greatness, tenderness
Or kindness its quality, humility its taste;
It dilates and contracts greatly forever.

THE MOST EFFECTIVE PRAYER

The centre of mind, site where God communicates,
Concentration highly essential, for mind not wavering,
Fix mind at its centre, may be difficult, try again and
Again, you succeed, in heart surrender to Him totally,
That means, your body completely taken off spiritually,
Now you feel the difference, you feel soul somewhere
At the top, concentrate on it, start delivering your heart
To it, with utmost concentration, through centre of mind
Heart and soul together communicate to the unseen, best
Companion of you, deliver what all things you have to Him,
Your sweet friend hears what all you say, you don't utter
A word by mouth, you are mum, but your heart and soul
Talk to God, what a feel you have then, it is the real bliss.

A PLEA TO GOD

The world passes through the
Most difficult days of all time,
We now realize, the world is
Nothing, the worldly nothing,
The strong will to call you, the
Only one that lasts forever, our
Faith in you, the shield to protect
Us; we know fully, nothing adverse
Will pierce our faith in you, the grave
Adversity makes our faith stronger to
Get fixed with you and you are freely
Accessible to us; forgive us for misdeeds
We did, it is our plea from the depth of
Our heart; be with us through the biggest
Ordeal world faces, now we get our faith in
You strengthened to face the ordeal with
So much courage as you are with us always.

THE RARE OCCASION

You don't do anything wrong
But you are accused, the opposite
Of what happening now, not accusing
Somebody who does the wrong, the
Human life a contradiction, what and
What not, fluctuant the mind, turning
From right to wrong and wrong to right;
Alas, what am I to think, me a fool or clever,
Me a victim or accuser, life revolves, doesn't
Stop but life shakes, the tremor makes man
Sound or insane, the more you look at, the
Less you attempt, the contradiction marks the
Finality of human life either to end or to begin,
Then what unexpected happens, what expected
Fails, sword falls on innocence, judgment fails.

THE TWENTY ONE DAYS

Twenty one days of lockdown in India,
The honourable Prime Minister declared,
Stay at home, Corona won't visit you, it
Is government's decision to safeguard you,
Obey that very strictly; there is something
Deeper than it which you can see with your
Deeper senses, God gives you twenty one
Days through the Prime Minister to correct
Yourself, leaving all worldly aspirations and
Come closer to God; twenty one days of
Repentance and intensive plea to God, three
Weeks of communion with God, don't lose
The golden chance to be with God, now you
See Corona the instrument which brings you
Closer to God, live in God and with God forever.

THRILLING MY LIFE

No worry, no despair, no fright
I made my life so thrilling, as I
Hang on the rope of my faith in
God, with it I could drive away
My aspirations for the world,
Limited them to the maximum,
Directed my aspirations to God.
Now it is God only who gives me,
I realized it fully and I am totally
Free now, nothing to think, nothing
To be tense, everything calm and
Tranquil, only one duty, just to follow
God, He keeps me safe, He provides
Me everything, my life now a thrill,
It is adventurous, it is filled with love,
True love, I have dissolved in it, enjoying
Every moment of life, communicating
With God and with love, love flows in me
Everywhere, in my heart and in my soul,
My life a poetry now, it echoes in my soul,
My heart writes, my heart sings it too,
I pass it on to my love, love grasps it with
Both hands, the music of the song, my heart
Sings is too sweet that I am absorbed in it
Always, creativity becomes the core of me,
The life with God is so thrilling, love my companion.

TIME OF JOY

It is a time of joy, time of reconciliation
As you see now presence of God, craving
For God, the father who hears every
Prayer from heart, not from tongue, the
Realization, world and worldly nothing,
God is everything, the golden chance to
Be with Him, which you have never got
Before; dissolve in Him, I exhort everyone,
The trueness of life begins now, the past
Was your run after the world, now the
Run after God starts, He will nourish you,
He will safeguard you, suffering will leave
You, stay in hope, your day comes, day
Of joy, the time of exuberance with God.

TASTE GOD, SMELL GOD

Where is purity, there is God
Where pure heart, God resides
Where is tranquility, God there
The only tranquil site, the nature
Pure nature is God, His creature,
God is felt there, in concentration.
You taste God when you eat fruits,
Fragrant flowers, the smell of God,
The beautiful flowers, beauty of God,
You see God here when your heart
Opened, see Him beyond the world,
It is realization, see, smell and taste.

TRANSFORMATION

The greatest event on earth
Is transformation of mind,
The mind on a high level that
Never achieved before, the aim
Of life fulfilled then, mind hard
Turned to the soft one where the
Hardness the dirt, the aspirations
For the world, that made mind
Very stiff, doesn't yield at all, it
Can't elongate or be stretched, a
Condition where hardness constricts
Mind, it can't function in its own way,
Mind becomes slave to the aspirations
For the world, driven miles and miles
Away from God; taming of mind, the
Most difficult process on earth, occurs
Only when mind has a strong base, that
Is God, to be installed there, and strong
Faith in Him to be developed, tribulations
Come up in plenty, overpower them makes
Faith stronger, the aspirations for the world
Vanish one by one, the deep senses open,
Mind now at a higher level, above the thoughts;
Soul the element of God at the centre, guides
And guards, a new sphere of life with God, and
In God; it is the total transformation of the mind.

WHAT AM I

What Jesus taught me, I practice
I love, love intensely, never I go
Back; I forgive, hence I could love,
I could sacrifice me for sake of love,
I can't sacrifice my ideals at any cost,
To be humble and simple the best way,
Wealth is nothing, to serve, everything
Never hurt anybody's heart, even if I
Couldn't do anything good for them;
Lastly, always my life must be my gospel.

WHAT NOT KNOCKED DOWN

Earth in turmoil, almost all at home
For own safety as well as for others,
Fright engulfs everyone, all are panicky
Everything collapses and the normal life
Disturbed badly, at home the protection,
When to come out, nobody knows, silence
Spreads everywhere, the whole earth sleeping.
The stillness of graveyard everywhere, hearts
All subdued, the whole planet in stillness, the
Energy weakened, everything in sleepy mood;
The only one that not knocked down, the firefly
Twinkles in darkness, very faintly seen, not gone
Completely, the love, that can usher the darkness,
To love and to be loved the greatest phenomenon
Energises soul, mind and body, the immunity
Enhanced, the resistance increased, love is God,
He is with you, the complete cure of the malady.

WHEN CORONA RUNS AWAY..

Corona will run away soon before
The might of human hearts united,
A new world with new image dawned,
The outlook of everyone towards life
Changed, to live comfortably the great
Bliss on earth than be greedy, the great
Concept instilled in every heart, again
Man is the same before God, the great
Truth, man realizes; what for he quarrels,
What for he fights with, the question arises
In his heart, he asks himself, the lost love,
Honesty and faithfulness start appearing,
A new era starts, man loves man, man
Trusts man, man becomes more humane,
Big nations realize, love much better than
Nuclear warheads, sun again rises in the east.

WHERE I SEE GOD?

The feel, the perception
The indescribable sensation
I do have with my inner heart
That is so soothing, sweetened,
Melodious, what not, blissful,
Only deep senses perceive,
Outer senses can't catch it, a
Moment equal to years, such
The holiness of it, the divine
Caress, mind, body mesmerised,
The heavenly feel, that too the
Worldly passions subdued by
Deep faith, the deep senses
Opened, see and hear with them;
The soothing melody, it is God!

WHERE IS GOD AT

The great question answered by the
Catastrophic episode that shakes earth
Today; all worshipping places closed, no
Rituals done safely when God at the helm
Watching all what happens, leaving man
To answer the question "where is God at?"
The answer simplified on every tongue
To say "He should be in every heart, not
He outside"; the reverse happened today
Leading to all the disaster in the world,
The answer "Heart empty, God is out", the
The root cause for the catastrophe world
Faces; now ample time for repentance
And correction, God to be in forever and
The roaring sea with gigantic waves calms,
A new era to begin with love at the centre.

WHOM I LOVE

Pleasing to me, but quarrels,
Not unkind, but silent always,
Silent in heart, silent in soul
Silence our love, words hardly
Any, but heart speaks, language
Unknown but sweet, soul fountain,
It sprays everything to me, unseen
But seen by heart, it sings always,
My soul hears it, the sweet story
Of love, that frozen in my heart, it
Melts and streams, I am in it flows.

WILLPOWER

The strength that lifts a person to heights,
Mind made steel like, never bends or breaks,
He or she sails over roaring sea, climbs so well
The hills and even mountains, dreadful diseases
Succumb to the willpower, so mighty, it infuses
Great confidence in heart, it thumps so rapidly.
Mind becomes steel when it is mixed with strong
Faith in God, power generated, the power can
Beat anything, your mind and heart firm, nothing
Can attack, as you feel, you are above everything.

WORLD POETRY DAY

Poetry is inner heart speaking
It is the red blood, the love only
That flows in and out, it streams
Everywhere, it washes out the
Dirt in its flow, the excessive
Worldly passions all gone in the
Gush of blood, blood is filtered
By heart, the pure blood flows
Everywhere, tranquility its core,
Kindness its content, the pure
Blood to flow to every nook and
Corner of earth, poetry blesses.

WRITING POETRY

The happiest moment, I relish it,
The other moment, talking to God,
Something comes up when heart
Simulated on inspiration, honeycomb
Break and honey comes out, streaming,
Heart writes and writes, what a thrill!
I drink the whole honey and doze in
Exuberance, too often honeycomb
Breaks, I am filled with honey, my life
Honey based, tasting honey, it flows
In me and around me, honey everywhere.

YOUR MERCY

Our hearts beat in the rhythm of your melody
So sweet, it sweetens our souls which pulsate
In its tune, our hearts sing and write your mercy,
The kindness of you, the intense love of you, a
Sea of your mercy, where we tiny creatures flow
To your heart, the bleeding heart, where your blood
Streams everywhere in the universe, to keep it steady
And intact, and it too sings the magnitude of your love
And mercy, that bless us with the multitude of your grace,
That keeps us above all adversity and suffering, we realize,
Corona can't frighten us, as your mercy caresses our hearts.

COVID19

James, the Civil Service officer, secretary
In state government service, a confirmed
Bachelor, he enjoyed it as the silence of his
Heart speaks to him when he was lonely,
He has lot of love in him, his heart always
Pumps pure love and love frozen in him
With fragrance filled in him, he smells and
Tastes love that gave him energy to work
Hard for the government, for the people,
Lot of time he gets as has no family, enjoyed
Every moment of life; the past, sweetest in
Heart, the memory drips as honey in soul,
It echoes sweet melody that encircles him
When he is alone, he is absorbed in it, the
Deep love of her, his collegemate, eternal
Beauty of his soul, the heavenly beauty who
Loved him most but she lives only in dream,
She now the house wife beyond the seas,
But memory had golden wings, takes him
At times beyond the seas, he wished her all
Blessings and that memory more than enough
To lift his morale above the clouds and he sees
Her in heaven; that sad news broke his heart
Into pieces, he is down on bed all the time to
Hear from friends, she escapes from the tight
Grip of COVID, his heart pleas round the Clock for
Her recovery, he is on long leave at home all alone,
Always on bed, can't get up, doesn't like to convey
To others, he wants always to be alone praying for
Her as he knows, her soul only lifted him to work
Hard for the government, the secret of his heart
Nobody knows as he wants to keep the treasure of
His life so safe inside him only; that morning his
Mobile phone ringing for long to convey her total
Cure, miraculous it was, but he was not awakened.

DELICACY OF MIND

The intricate mind on its passage to the
Advent of mystery, the mystery a part
Of God that is unknown and undetected,
But if mind becomes soft when hardness
Of it gone, that behind it all evaporated
With Godly touch, the delicacy of mind
Exposed, its base relished as divinity of it
Interlaced, that forms the core of mind,
Me at the helm of the art of God and then
To deliver His command only as all the dirt
that is to pull me to the world weakened,
I have the great pleasure of being with God,
As the true, divine mind guiding me when my
Passion for world gone, passion for God exists.

DESIRE OF MY HEART

So much in my heart, I suppress
But at times it springs up, leaving
My soul to act and energize me to
Sing the beauty of you, the desire
That pervades me to come close
To you with all passions for you,
You are behind the dark clouds,
Invisible to me, my heart knows
You as it feels you in the mist of
Uncertainties, how far you away,
I don't know, but you are near to
Me, the clouds must go, I am after
You, I want you and to be with you.

FAITH

The shield that covers us, protects us
When world goes through the biggest
Catastrophe, it is the truth, total surrender
And repentance leads to immutable faith
In God, a big rope that will never break,
You hang on it, hold tightly, never loose
Your grip, the rope becomes stronger
Day by day, it lifts you above every peril
That you face; you are in the safe hands of
God, all worries gone away, safe you are.

HEART LIGHTENED

The glow that lightened my heart
Has come from above, it sweetens
My heart to be more tender, and it
Accepts more light from sky darkened,
The clouds hit each other, the lightning
Thundered into my heart to lit more
Glow that links me with heights of sky
That often cools me with incessant
Rain and drips into my heart but the
Glow doesn't put out as it is not flame
But the everlasting hope that leads
Me in the darkened night with the
Power of lifting me through the dark
Tunnel to the other end of it, the sun
Rays falling on me, the glow in heart
Brightened, it could kindle every heart
To lighten whole darkness to brightness.

Copyright © My Soul Glitters, Dr. K. K. Mathew

HEART WARMED

Me at the height of exuberance that
I could move past my wish to reach
The tranquility of mind, much beyond
The noises of heart, far away from the
The reach of the passions for the world,
Me set to reach the peak of the flame that
Warms my heart, my soul too warmed and
I dream the beauty of my soul, heart and
Soul meet, the rare occasion of the visual
Beauty of me, that I am on the path to the
Glow at far, that calls me and I am to follow.

Copyright © My Soul Glitters, Dr. K. K. Mathew

HOPE CROWNS

Me crowned with the beauty of having
The glow that sparks before as flowers
That fall on my thorny path that ahead
Of me, the flowers smelt fragrance that
Sweetened my heart to pump fast, the
Red blood spilled on the path and wet
The flowers with redness, they looked
More beautiful and brighter and I am to
Pick them one by one, I stride forward
And catch them, but the flowers already
Crowned me, they are with beauty and
Fragrance, my mind fixed with it and I
See only flowers, I am relishing the smell
And beauty of them all the time and I
Reached the other end of the dark tunnel
Where the sun rays fall on the crown and
They blossom, the real flowers of my heart.

HOW TO BLOCK CATASTROPHE?

Block the severe adversity in life,
The faith in God the big shield
To protect you from imminent
Danger that to perish you, it is
Fort around you which God made
For you, unseen by naked eyes
But felt by heart, too soothing
It is, it is the shade of God that
Covers you completely, your heart
Thumps, your soul pulsates strongly,
Your might retained in you, so strong
You are to withstand any adversity.
You smile and sing His glory always.

INDIVIDUALITY

Living on others
Is something vague
It is not individuality,
Live on yourself
And show your caliber,
Hearts to judge it
That is individuality
That is talent
That lives ever.

Copyright © My Soul Glitters, Dr. K. K. Mathew

INNER BEAUTY

Outer suffering and inner beauty
The contrast in every human being,
Suffering of the world outside being
Nullified by inner beauty and sweetness;
Inner beauty and the sweetness greater
Than what seen or tasted outside with
Outer senses; inner beauty and inner
Sweetness relished by deep senses which
Opened when worldly passions subside by
Deep faith in God; you are in inner beauty.

JASMINE

My heart sees a flower, Jasmine
That is in my garden, flowering
In my heart, all the time, I doze
Smelling its fragrance, the flower
Of the heart, day I look at it in
Garden, it is waiting for me to
Be watered, but I gave it my
Heart, blood from it nourishes,
The flower lives in my heart
And heart guards it, a close
Link between the two, at night
Flower takes me deep into the sky,
My heart with it, the songs of
Divinity from it takes me to heaven
Where I see angel singing, not the
Flower, too whitish, my thought
Too white, everything the colour
Of my Jasmine, song, beauty and
Fragrance mesmerised my brain
My Jasmine is with me in heaven.

LIGHT TO BE LIGHTENED

Last night all homes lightened in darkness
From one end to the other end of country,
What light is, the grace of God, the love in
It, the hope in it, in every home interlinked,
Proclaiming in heart, the love is the mightiest,
God is the supreme, we light to be lighted
By God, we have hope, we fight it out as one,
We will thrash Corona, it will run away, we
Have the willpower, confidence from light,
Nothing can deter us and we march forward.

LOCK-DOWN AND ME

I stopped seeing the sick which I
Never wished but I am compelled
To do it; more than four decades
Of life with the sick, poor, grieved,
Despaired and common man, a life
I really enjoyed; but now I am put
In a new angle which thrills me that
I am in a new sphere of life where
I have friends, solitude, loneliness
And silence where my heart meets
My soul, my soul sings and heart
Dances, each step is a poetry and
I write, what I hear is music in the
Stillness, what I write is its beauty,
My concentration paid off, it brings-
Forth flowers of heart which blossom
And bring honey to my heart; soul
Too looked flowery to me, fragrance
Of it mesmerises me, I strongly feel
Solitude, silence a must for everyone,
Heart sees the unseen and unknown,
A paradise for the heart and soul, to
Be filled with the charm of life, far
Away from the suffering of the world
Which can't touch my heart or soul
As they are free to move from grip
Of grief, they are new and holy,
Dirt can't touch them; melody of the
Soul, sweetness of the heart are the
Two that make my life what it is today.

LOOK AT TODAY ONLY

Life a cycle moving at low pace
Steadily it moves on, whatever past
It has one, never past comes back,
Good or bad, it can't touch you
Again, never get agitated to look
At tomorrow or the day after, or the
Day at far and mind tense to face
That, calculation might go wrong,
Your mind and body drained, nobody
Knows, you are here tomorrow, whether
The world exists or not, the apprehension
At its peak, mind laboured to see the future.
But be calm, concentrate only on today
Mind shouldn't move forward, static it
Should be, concentrate on the present,
Think on what is on today, mind focused on
It only, you are very fresh and composed,
You can score on future, life is so pleasant.

LOVE AND LOVE NOT

Be your mind with one point,
The centre of mind with the
Creator, you could love the
Symbol of that place, that is
God, the God centred life,
Put your entire love on that
Place, that is on God, fix it
There, now miracle happens,
The love you stored there is
Reflected to the world, to the
Person, persons whom you
Want to love, in the intensity
Which you wish to offer, you
Love most through God; it is
How one should love, love
Reflected from God, the true
Love, it is pure and holy, it
Doesn't die, as God in between;
God blesses you and your lover.

BLEEDING LOVE

Love fathoms in desert
Never it bends or breaks
But it searches till the end
As love is never-ending story
Death cannot end it as it
Lives on death, but it is
Ever ready to bleed, blood
Forms a coating around
Love, nothing could pierce
It, even the death can't,
Love is the greatest as it is
Ever ready to die for love.

Copyright © My Soul Glitters, Dr. K. K. Mathew

LOVE OF HEART

Love fills the heart and it frozen there
It interlaced with muscles of heart and
It becomes part of the heart that it can't
Be replaced by any another love till it
Stops beating and heart with love dies;
The love in the heart makes it polished
And makes it musical, it sings on each
Beat, as the love is music, the musical
Heart always murmurs, it is the music
Of love only, heard by heart only, not
By ears, it echoes, only loving hearts
Perceive it; love is the music and heart
Is musical, and the life is so melodious.

MERGED WITH JESUS

Ever since COVID19 invades every nook and
Corner of the world, my faith in Jesus came
Stronger and stronger, that encircles my heart
As a fort that never breaks but my prayer to Him,
'I am ready to go any moment you like, as I have
Done my task in this world with perfection with
Your grace; save the many and many all over the
World, save my dear and dearest; let your wish
Fulfilled, I am to obey you only, thank you Lord".
I am all the more happy now, I feel the great touch
And the presence of Jesus throughout, I write and
Sing His glory, I write the plea to Him for the world.

OBEDIENCE

A pure heart can't repel, it obeys,
Obey the elder, obey the superior,
Obey the nation, obey the world.
Why, simply because they know
Better, only worldly passions make
man a rebel, be carried away by
Godly passion, that is the love for
Others, pure love means respect for
Others, realize the truth in what they
Say and copy what good in them,
Then only you are brightened as well
As they, obedience makes home holy,
Country brighter and the world lightened;
Man needs in critical time, total obedience.

PEACE AT HEART

How to be peaceful at heart?
You should have another person
At heart to share your severe ordeal.
Who is the best figure to be at heart?
No doubt, it is God, easily accessible,
What you have to do is surrender
And believe in Him, keep that faith
Stronger and unbreakable always;
When your heart is hurt, you try to
Forget and forgive and you transfer
It to God, let Him find the solution,
You are now free, peaceful at heart.

POETIC BEAUTY

My heart sees your beauty, not with eyes,
My eyes don't see anything, but your beauty
Caresses my heart, it is a poetry, words are
Written with honey, I have no words to tell it,
Only I read the poem, when my heart reads it,
Your beauty painted on its walls, mesmerizing,
I am stunned for a moment, your eyes jewels
Glittering, your face, God's grace emitted, your
Smile, angelic, your hair, darkened sweetness,
World of honey, my heart sees, poem written
Inside, you are painted on heart walls, I can't
Utter it, I am really helpless to reproduce it,
What to do, I am totally confused, suddenly the
Poetry and the painting fills my heart fully and
It overflows, it out-pours and I am at ease to
Collect it and pour on paper; now the poem
On my paper, the poetic beauty on the paper,
Exactly the same what my heart saw inside, I
Read the words on paper, what a surprise, the
Beauty comes out of the paper, she embraces
Me, I am inside her arms for long, it is the bliss.

POETIC LOVE

Poetry is love of soul that falls on
Heart and it too loves, the love of
Heart and the soul, it streams and
Outflows, the sweet honey that is
On hand, on paper, the letters sing
In hearts, the melody of soul, hearts
Sweetened, honey heals the wounded
Hearts, the torn soul soothed, fragrance
In every heart and soul, the love in the
Poetry blesses every heart, every soul,
Love flows everywhere, poetry sweetest.

POETIC WISDOM

The soul in its way tells the heart
Do something which heart doesn't
Know but it does that as it obeys
Soul; what soul tells is the wisdom,
It is the truth poetic, the polished
Truth in poetic form, the one highly
Imaginative that foresees future,
That is to come, it outflows heart
And blesses pen to write so fast
Like machine to form the wisdom
On paper which the brain doesn't
Know, it all happens in few seconds,
Undisturbed, intact the truth, soul
Blossoms in delivery, fragrance of it
Fills heart to smile and poetry smiles.

POETRY IS GODLY

Poetry is the pulsation of soul
What soul speaks so sweetly,
So sober, soft, subtle, but faint,
Only heart could pick it and fill
It, it spontaneously overflows,
It is honey drips from above to
Soul, very transparent, no dirt
Anywhere, it is divine and Godly
As it drips on soul from heaven;
The soul is also Godly, a fraction
Of God, the God in human being,
Poetry is God telling, it is the truth,
The poet doesn't know it, as he is
Simply copying it, if human element
Comes in it, poetry is spoiled; at last
Poetry is the words of God, spoken
To man, to the world, through man.

POETRY OF HEART

The beauty of soul falls on my heart
It then dances with twinkling beauty
So fascinating its steps, rhythmic and
It sings in tandem with the steps and
I write the beauty of its melody, the
Flow of words so smooth and I could
Paint the red heart pulsating with the
Murmur of sweet melody and heart
Is highly romantic with deep love that
The blood flowing at great pace and
Me watching its waves of deep love
On paper and I am absorbed in the
Height of excitement, I finished the
Poem of deep love that my heart has,
The pulsating melody of its beats, it
Sweetens my soul, I doze in sweetness
And the poetry is the ardent love, it
Filled my heart and me in the state of
Bliss and heart singing poetry of love.

REBIRTH

To be born again, the most beautiful
One ever to have once life ended, but
No one is sure of that, but hope pulls
Man brightly to the indefinite future,
Plants have rebirth, seeds germinate,
The eggs bring forth the new offspring
But man to have rebirth on earth when
His mind changes totally to new creature
Only after God touches him, the whole
World changes when hearts transformed,
Earth a heaven God descends to hearts.

REPENTANCE

The realization that one has erred,
Too difficult for it to come in mind,
Knows it when one is for God to come,
Distinguishes the good and bad, the most
Difficult to perform, the spirit of God
Needed to have it; once conscious of it,
The heart moved to surrender to God,
He accepts the person in his fold, the
World to know it, COVID drives man
Closer to God, to repent, to surrender;
The rare chance to be with God always.

RESURRECTION

Me resurrected from the death
When Jesus my saviour resurrected,
For me there no death as I am with
Him on earth, my soul is in eternity,
My body was spiritually separated
Years ago, it is only for my living on
Earth, nothing else, but my soul is
Living today, only duty I have to do,
Just follow Him; how pleasant my life
As it is with my soul, much above
My body, the pain, grief and despair
On earth, that can't touch my soul;
What to happen next is the physical
Separation of my body from my living
Soul that has no death, it is living
Ever and I merrily move forward..

SHADE OF GOD

Shade of God to fall on earth
Earth to be under the cover
When the white clouds spread
Beneath heaven casting coolness
Over the surface of earth, shade
Caresses earth, what is the shade?
It is the love of God that is repelled
By the loveless hearts on earth, the
Clouds scattered around the heaven,
No shade on earth; man to look at
Heaven, his heart to make earnest
Plea to heaven, the clouds assemble
Beneath heaven, the shade of God
Falls on earth, the Corona runs away.

SOUL TO SOUL

Something very deep meets the one in depth
They fuse to one, it is unseen and undetected,
Outer ones might meet only after centre meets,
How is it possible, the centre is pure love that
Flows to where pure love is, meets another centre;
When pure love meets pure love, they fuse to one,
The centre may be reflected to periphery but the
Centre remains intact glittering all the time in the
Darkness; soul and soul approximated and fuse
But body may not, the glow at the centre never
Puts out but it kindles the glowing hope forever.

STANDSTILL

Golden silence, loneliness, imposed on earth
Everywhere, far away the noises of the world,
Silence in heart, in soul, man in concentration,
No disturbance, man to be approximated with
God, the rare occasion where man to hear God,
The whole world to hear Him, He gives man the
Golden chance to come closer to Him, nearer
To Him, to realise what He is, the greatness of
Him, to feel His caress, to sit on His lap, golden
Occasion, man with God, the heaven on earth.

STAY AT HOME

How beautiful it is to stay at home
Not me alone but the whole world,
Everything in stillness, no noises, but
Pin-drop silence, the sweetened air,
The calm atmosphere, the earth is
Sleeping, the moon and stars at night
Smiling at her as she is half naked at night,
With stillness only covering her, the sun
Too very sober, he loves her so much
That he sends only sweet, romantic
Rays to caress her, to sweeten her,
Both of them alone to hug each other
As everyone at home, not watching the
Scene, really poetic love between them,
Poetry outflows from the hearts of both,
That is too faint, musical, heard by hearts
Only, not by ears, the poetry soothes every-
One at home, all hearts at home beat in
Synchrony with tune of music, the silence
Instills a thrill in everyone to doze, to relax
And those in utmost concentration absorbed
In divinity of silence, feel the music of nature,
They realize in silence the nature speaks, it
Is the words of God, spoken through nature;
Stay at home to be continued indefinitely,
It gives man ample time to hear nature, to
Hear God, and absorbed in nature and in
God, poetry of nature, man learns, poetry
Of God blesses him, man learns nature is
Poetry, God the best poetry composed in
Love and sweetness of them to be relished
Throughout his life and that is the treasure.

THE CROSS

With it
I am saved
The blood Jesus shed
From His holy heart
Washed off my sin
The King of kings
Died for me
The wooden cross
Basis of my salvation
I dissolved in His agape
And my love is agape
You live in me, Jesus
I live for you
And I will die in you.

THE FIGHT

The conflict in mind for good or bad
The great fight continues indefinitely
Worse than the World War, continuous
Fight without victor or loser, the victor
Becomes loser soon then the reverse
Happens, continuous cycling with the
Pendulum horizontal too often, man
In utter confusion, what to do and what
Not to do, either to receive or not, the
Indefinite journey never ends, at last
Heart breaks, no more fight, fight ends.
But if there somebody, to mediate in
Heart, it is none of your business, it is
His, who is that he, who is to enter your
Heart, to win over the bad in you, to
Dictate the good in you as you failed
Miserably to find the right path, who
Makes your heart free from the fight,
To make everything easy for you, it
Is the one unseen, ever ready to enter
Your heart on your plea, He builds home
In your heart, lives for you, works for you,
He solves problems for you, He makes you
Realize what is good and bad, He only makes
It, takes apt decisions, instantaneously, no more
Confusion in you, no more fight, everything smooth
Everywhere, you don't want fight, you don't need war.

THE MASK

Heart to be covered with, the lungs
On its way to keep away from the
Danger that may come too close
To the soul, we are on safety road
To move past the hazardous zone
Where the devil comes, we are to be
Protected, the mask on its way to
Cover our nostrils and mouth, the
Fort that stands around us and we are
To be lifted above all, above everything;
Heart sings, soul dances, the heaven
Drifted to our hearts, we are safe forever.

THE POET AND COVID

COVID beaten up by poet with pen
The mighty sword cuts it into pieces
It heals the torn hearts of many with
The hope to be preserved in the midst of
Darkness and prevails, the hope for future,
With the dictum not to fear but have the
Willpower to withstand and defeat villain,
The words of poetry infuses confidence
In weary hearts and the love of God that
To touch every wavering heart, makes it
Sturdy, towering one; COVID to run away.

THE REAL HAPPINESS

Real happiness, with true love only,
Without love, no true happiness,
Loveless heart always sad, grieved,
Love God truly that reflected on man
Dissolve in love, the happiest on earth,
Love is very sweet, happiness the sweetie,
Happiness and love together, the heaven,
Love is pain but that pain is very sweet
Love with pain is happiness with pain,
Let love and happiness flow everywhere.

THE REAL HEAVEN

COVID kills thousands, death nearer,
Everyone panicky, the whole concept
On world changed, on God changed,
The reverse felt now, God everything,
Not the world, what is the real strength?
Withstand the adversity with firmness
And happiness and have the conviction
'As God is with me, why should I fear?'
The rue happiness is it, the real heaven
Is it, courageous and happy in adversity.

TOO MUCH OF CORONA

Corona, Corona, heard more than
Hundred times, now Corona invades
The heart, let that Corona come out
Of heart, fill the heart with something
Positive; any way one day we have
To leave, then why not with Corona?
This thinking will make heart more
Positive and throw away the Corona
From heart, fill it with the greatness
Of hope, 'the mighty God with me
And why should I worry', fight it out,
Grace of God filled in you, let the life
Become pleasant and more hopeful
Than ever before; we live and we live.

Copyright © My Soul Glitters, Dr. K. K. Mathew

WHAT CORONA TAUGHT US

All are one, the big and the small,
The rich and the poor, the same
Man God created first, the world
And the worldly nothing, perishable,
God lives in heart, not in rituals,
God the mightiest, not the science,
Love God, plea to Him, the only way
Out of the catastrophe, love Him
Means love man, a world of love to
Be built with peace and harmony;
Heaven on earth here in near future.

WHAT I REALIZED SO FAR

The world and worldly nothing, the wealth,
The status, power all nothing; live as humble
And simple man without any luxury, the
Most pleasant thing on earth; contentment
And peace of mind the treasure, the beauty
Is the beauty of heart, not outward beauty;
To do something good for others is the duty
Of man, never hurt the heart of anybody, if
At all you couldn't do anything good for them;
Love is the most powerful weapon in the world,
Dissolve in true love, you will be contented and
Happy; without love, no happiness and peace.
Life is a search, continuous search till the end;
Find out God yourself is the aim in life and the
Final realization, you come to the stage to know,
You are nothing and everything in you is God only.

WHAT TODAY IS

What today is a miracle that the
Whole world taught the great truth,
The God is the mightiest, not the
World, nuclear weapons crumble
When God looks, the greatest what
Man thought shatters when God blows,
Man again to realize the truth, God the
Creator, science only a fraction of His
Mystery, science the gift of God only,
God is the superior, not the science,
Man to learn God lives in hearts, not in
Rituals; falling on the lap of God means
You achieve everything, the aim of your
Life achieved, time won't wait for you,
You accept Him as everything; a change
To happen, you look at the world through
God only, not directly, then the whole world
Looked heaven and you could love everyone,
The poorest and the richest as well, God
Creates a new world, where love is the core.

WHERE IS YOUR PRIDE?

Man, where is your pride?
What for you boast of?
All are equal, the rich and
The poor, the white and dark,
Like all are one in the beginning.
America, where is your ego?
Britain, where is your majesty?
France, where is your luxury?
Italy, where is your highness?
China, where is your might?
Spain, where is your royal look?
I call all the other countries too,
I call all of you, let your heart break
And look up on heaven, make a
Plea from depth, God hears your
Mourning, miracles will happen
You are comforted, all the issues
Settled, you will be relieved soon.
