PREFACE

This book is my 32nd collection of poems in English. The 100 poems in this book were written during 2nd half of March and 1st half of April, 2022. The poems are mainly mystic and spiritual. It is really a spontaneous outflow of my inner feelings, which I copied on the paper. I invite the readers to evaluate these poems.

FOREWORD

With the writing of TWIG, his 32nd book of poetry, Dr. K. K. Mathew, Kayamkulam, India, has created another masterpiece of poetry. Dr. K. K. Mathew is a deeply religious man who credits his poetry as being dictated by Jesus Christ to his mind and there from his hand to the page. He writes about life, the beauty of God's creations, nature, the mindset of humanity and the beauty of having Jesus as a guide in life.

Dr. K. K. Mathew was Chief Physician at St. Thomas Mission Hospital, Kattanam. He never practiced his medical skills in the big cities where he could have amassed a fortune for his skill; he practiced in the poorer villages. He is a humble man who credits Jesus Christ guiding his footsteps in every undertaking he does. He prays every day for many individuals who need his prayers and for a humanity who is totally unaware of his love and caring.

His poetry speaks of compassion for all living things. He writes many thoughts of guidance on everyday living and walking with Jesus as a guide. His faith is unflinching. Poetry has been part of his soul for many years and influenced his daily life with his family and friends. Nothing I write can ever do justice to the beauty of this man's soul that flows into his written word. His book TWIG is a blessing to humanity dictated to his soul by Jesus Christ.

ACCOUNTABLE

Accountable to God only, the creator, the most
Stable power; not to the unstable man, conscience
Is God, man to learn it; live by your conscience, live
By your convictions, then only you are the real human
Never depend on others, depend on God only, live by
What your mind says, you may have to face so many
Difficulties, don't matter, you are following goodness
Only, it tastes mostly sour, but sweet before God, have
It mind always, learn to digest the sour, never to lose
Your conscience and convictions, you are the winner
Before God, the truth will never fail, the honesty will
Never disappear, the kingdom of God will come soon.

ADMIRATION

Pleasurable contemplation with respect and warm
Approval for someone, that is to say "you are regarded
As impressive or worthy of respect", so much of value
In the words, heart is overwhelmed with esteem for the
Person, only to say goodness about the person, heart
With love for the person, always wishes to have link with
The person, heart and mind blossom when thinking of the
Person, such a wonderful feeling of great pleasure, makes
One elevated to the top of happiness, as it is always an
Inspiration for one's heart to blossom, to be like the
Person who is admired, the impulse for stimulating own
Mind to acquire the morals, makes one more pleasurable.

APPLE

Red, yellow, green, pink, pome, born from
The flowers of the tree, beautifully arranged
Like the balls hanging from the greenish top
Magnificent balls of love singing the beauty of
Heart, the soul in the sky, twinkles above it, the
The dark night stilled it, the day perpetuates the
Smoothness of it, the delicious fruity, fills many
Friends with the food for appetite and the drink
For thirst, the love binds stomach and heart, and
The contentment of soul achieved, the fruit of
Heart, delivers the beauty of love on the dining
Tables, to be friendly with tongue and stomach.

APPRECIATION

Enjoyment and recognition of good qualities of
Someone or something, is a great moment to
Perceive, a sort of likeness that enchants the
Heart and mind of someone who is liked, it instills
A quality of love in the person liked, the regard
May shape the person's heart to do something
Better, in a way the person is inspired a lot, that
Breezes through the agony of heart to have put in
A lot of work to achieve the recognition and liking,
It may induce further inspiration to achieve more
To have the accomplishment of further enjoyment.

AROUSING THE HOPE

The future is indefinite, may be dark to say
The land is barren, dry and torn, all the trees
Fell, only very few short plants growing, weak
They are, storms few times hit, but the plants
Weren't uprooted, still they grow, but one thin
Plant blooms, very beautiful pink flowers on the
Plant instill the hope in man to live, the earth
Will be worth for living, probably a sign to live,
The blooming flowers only give the hope, amid
The cruelty, untruths, dishonesty, and loveless
Hearts; when you are heartbroken, you look at
The blooming flowers for some time, the only
Hope, your hearts will be beating rhythmically.

AUTISTIC

Love flows, love encircles the child
Mother in tears, father depressed
Child won't hear or obey what they
Say, they realized it early, child has
Inattention, carelessness, not at all
Interested to learn, repeating words
Again and again, love isn't returned
Properly, not talking well, child is alone
Most of the time, in another world
Always, can't start conversation, loses
Previous ability to say words, doesn't
Understand simple questions, performs
Repetitive movements, totally child is
Uninterested to go to school and study.
But heaven comes when in extreme
Despair, to wipe the tears; noticed
Little late child is talented in drawing
And painting, superb the paintings are,
The descriptions came, "marvellous"
"Fantastic" "painting by a great genius"
Parents realize, child is becoming a great
Figure, a world-class painter, everybody
Says it; love and care, the only treatment
For the child, it makes child great, parents
Thank God for giving such wonderful child.

AWARENESS

The input of heart with the perception of mind
That awakens the brain to glow with the light of
Understanding which has its effect on the object
Of attraction, illumination takes place in the mind
To increase the depth of knowledge, to have its
Say on the transformation of the brain with input
Of realization, the high degree of knowing things
The better way to be influenced by magnificence
Of knowledge, to get oriented to the structure and
Beauty of matter, it flies to human comprehension.

BEAUTY OF A PERSON

Heart makes it to read and make assessment
Heart looks at the person externally and goes
Deep in its vision, the person is gone very deep
With the insight of heart, spiritual dissection of
Interior of the person into minute components
And at last if substance of truth left in the person
Which heart detects clearly, the person is rich in
Beauty as well as in quality; simple way to assess
A person, in beauty and quality, which every heart
Can do, a perfect method to distinguish spiritually.

BETTER TO LEAVE

Better the boatman at the helm of the damaged boat
Along with the crew, removed, instead of doing repair
Work of the boat, so many times, again and again, as
The boat is to be capsized any moment; the boatman
Is thoroughly incapable and the crew 'good for nothing',
Without the boatman, the crew is nowhere, not on water,
The crew wants always the boatman, and the boatman
Won't drive the boat without the crew; and they won't
Replace the boat, as they won't be at helm, if it is done;
At last the boat with boatman and crew, sank in depth.

Copyright © Twig, Dr. K. K. Mathew

BREVITY AND SIMPLICITY

Exact word at the apt place, very concise
With simplicity flowing throughout, touching
Heart, caressing soul, too much of exuberance
Inside, propelled to write eagerly, an unusual
Power snatching the pen and writing for you,
Beautiful and very elegant words, fill the lines
Each line deals with matters beyond thoughts,
New insights bring beauty of soul; tranquility,
Purity, and divinity of heart, reflected; writing
Has a purpose, to be implemented in society,
It is a sword to cut and mold hearts, the words
At last form poetry, foaming over every mind.

BRILLIANCE VANISHES

Brilliance shines and glorified, but in some areas
It vanishes miserably, sometimes one may think
Why did I become so brilliant, it looks like a curse.
One brilliant lady doctor, a gold medallist in college
And a renowned gynaecologist, is charged for murder
When a delivery case of her, died of bleeding which
Is a usual complication; doctor tried her level best
To save her patient, but all her efforts failed, she
Couldn't bear the loose words, heard, "it is a murder".
How can the doctors make others convinced, the
Pregnant women at the time of delivery can rarely
Die of complication, it is beyond the control of
The doctors, they may be quite innocent; here the
Brilliant gynaecologist became depressed, and
She committed suicide as couldn't withstand the
Mental torture; her suicidal note says, she wishes,
Her death may tell others that she is quite innocent.

BROTHERHOOD AND SISTERHOOD

Wonderful the words, the interior glitters
With the beauty of divinity that falls upon
Every brother and sister irrespective of the
Color, caste, and creed, that everyone is so
Deeply connected with unbreakable chain
Of divine love, unseen with the outer eyes
But felt with heart; explore it, is the primary
Aim of everyone from the North Pole to the
South Pole, the transcendence of unity that
Nobody to detect, nobody knows it; the soul
Of each and everyone is godly, a tiny part of
God, the dispersion of God, in every man and
Woman, it interlinks connectivity of each and
Everyone, in the depth of everyone, a wonder.
Exploring the great mystery, reveals the great
Truth of oneness in all men and women, unless
Comes to this point, the discrimination and the
Difference among the people, enhanced and the
Glorification of the unity among all, disappears.

BUTTERFLY

Winged with utmost beauty in nature, surfaces,
Caterpillar turned to the flying beauties, landing
On leaves and flowers, mesmerizing heart and
Soul, instilled with divinity of heaven, to make
Them special creatures, living only for a short time
On earth, with wings of extraordinary, heavenly,
Beauty, so colorful, in different varieties, giving
The charm of fascination, the lesson of living so
Gloriously while on the earth, never to lose the
Majesty, even if living only for few days or weeks,
Live majestically so long as you live here, superior
To living weak for many decades; butterflies beautify
Heaven as they go back to the place from where
They came, the queens of the kingdom of heaven.

BYPASS

The regular road is to the most luxurious city
The normal pathway in body, is to heart and brain
All worldly matters pass through the normal route
The worldly life so fantastic, enjoying every moment
But nothing beyond it, ever to think here on the earth
Everything is here, finished here, decayed and sealed.
Have you ever thought of a bypass path in human being?
It is quite unseen, found out only by those who search,
The path is deviated one, it bypasses the heart and brain
It is a special pathway, connecting man with the soul
The path is always cleared only by strong faith in God
It is not an exaggeration but the great truth, known only
By experience, the direct communication with heaven
The travel on this bypass pathway is really a wonder.

CASHEW FRUIT

The most beautiful fruit, holding her son down,
The queen is holding the little king, the mother's
Love makes son great, to be mightier than her,
Wonderful birth of a pregnant queen, born in
Two colors, mainly red and yellow, and giving
Birth to single, kidney or boxing-glove-shaped
Son, the little king, safely kept in the thick shell
And she dies soon giving her flesh and juice to
Many, blessed, little one should please millions
With his kingdom of flavor and nutritive value;
Look at the great sacrifice of the loving mother
For her son, all mothers should be like her, the
Great sacrifice of a mother for her son on earth.

COMPANION

The best companion I have, is logic in me
It will never leave me alone in the difficult
Situations, always with me through the thick
and thin, not trustable, most beautiful I see,
It keeps on changing its views with changing
Situations, how truthful it is for me and why
Should I go after others for advice or help, it is
Fixed with me with firm adhesive, inseparable,
It rebukes me when I go wrong, I'm afraid of it,
I trust logic, it loves me most and it guides me.

CONFINEMENT OF LOVE

Liking a person at first sight, it produces impact
Involuntarily, it can't be wiped off, it stays there
Doesn't disappear at all, what will you call it?
It is totally confined to heart and mind, doesn't
Come out, no outbursts; the seed sowed inside
Heart, it buds, grows, and flowers, but the plant
Doesn't cross the boundaries of the heart, it is
Fruitful, very sweet the fruits, heart only eats,
The flowers send fragrance to heart and mind,
It doesn't spread out, the plant gives the person
A lot of energy, the deep feeling never leaves him.

Copyright © Twig, Dr. K. K. Mathew

CROSS

The culmination of human sacrifice
Epitome of human love, the agape
The center of all human salvation
The dawn of the darkened night
The great ladder to the blessed top,
Wonder of extreme agony turned
To eternal freedom and happiness,
Magic of showing endpoint of the
Extreme love, saving biggest sinner,
Old wood becoming great diamond,
The hell turned to heaven of glory,
Taking away the big grief and agony
With faith and hope, to eternal bliss.

Copyright © Twig, Dr. K. K. Mathew

DELICATE

The fineness of thoughts, tenderness of feelings,
Move gently in the mind, to have sweetness in
Heart, mind, and body, linked with tranquillity of
The interior, smoothness everywhere inside and
Outside, in solitude with its calmness; the most
Delicate silence, brings the tranquillity of soul, the
Utmost concentration, lifts mind and heart to the
Peak of sublimity, very soft, subtle words, spoken
To heart, the wonderful feeling of with God, is well
Relished, the unique feeling of fineness, transmits
The honey-based holiness in soul as well as in body.

Copyright © Twig, Dr. K. K. Mathew

DETERMINATION

Never you be a changing figure showing many colors,
Only one color, one mind, and one heart, that shouldn't
Be upside down or twisting sideward, even if you are
Offered billions to do; stability of mind is the solidity of
You, never to bend, never to break, when you are about
To be succumbed, there don't lose your nerve, be bold,
Determined to face the odd, never waver, even if death
Before you, accept it gracefully, courageously, with smile,
What is the point in living long without your convictions
And determination, live like steel with your head up, not
Like corpse with head down; melted the determination,
Convictions only with kindness and love, heart is moved
With sympathy and love, where head hangs down, such
Powerful is the kindness and love, otherwise never give up.

Copyright © Twig, Dr. K. K. Mathew

DIVERGENT THE HUMAN MIND

It comes in different forms, in different shapes
Without amalgamation, without even respect
For each other, mind not acting as a single unit
Divergent in actions, so many faces inside, one
Acts at a time, soon the other one comes up
And the turn of the next one, like that many in
Action at different times, keeps on changing
No stability, fluctuant always; good man does
The havoc, the loving man, kissing the infants
But he does the massive killing of women and
Children, what a contrast, quite unbelievable.
The devil is inside the otherwise normal mind
Devil comes up occasionally, doing the disaster
How to tie the devil and lock it, it is only by
Intense faith in God, devil is tied with the big
Rope of intense faith, and is put in jail forever.

DIVINE INTERVENTION

How could David beat Goliath? how could a small
Country resist the mighty invader for a long time?
Is it possible to resist with other countries' help only
Against the mightiest nuclear power, so effectively?
Why doesn't their morale perish after three weeks?
Why do the calculations of invader go extremely wrong?
Why does the invader become panicky and confused?
Even simple logic says, it isn't humanly possible to do
Such amazing, fantastic, bravery by a small country;
It is the divine intervention for the innocent people.

DOVE OF HEART

Flying in the horizon of love, dove moves to the
Skies of peace, it is the dove of heart, taking away
The dirt in hearts and flies up; it must fly over the
Invaders and intruders, take away the craze and
Insanity of them, to snatch the others' properties,
Leaving behind the whiteness of the world and
Expelling the intense darkness, imposing the great
Knowledge in the cruel hearts, war is the big crime,
Never be devils, it is the worst in the world, dove
Should fly from heart to the horizon of love and
Tranquility, never to land in darkness of the world.

DOWNPOUR IN EXCESSIVE HEAT

The heat is excessive, unbearable, burning the plants
And trees, scarcity of water dries everything, the earth
Is torn, little water for washing and cooking, what to do?
Man, animals, and birds are thirsty, heat is overwhelming
The earth for weeks, sky is very clear, no clouds anywhere
Sun is having excessive smile at everyone down, as if he has
Won a big battle; downpour, all of a sudden, surprising all
They can't bear the excitement bubbling inside, can't contain
It, some ran out of homes with so much of enthusiasm to
Be blessed directly by the rain, really heaven is drifted to
The burning soil, what a fantastic color to the joy of hearts.

EDUCATION

The art of thinking and finding answer to
Each and every question that comes to mind,
The own finding without anybody's help, is the
Real education, it is the self- learning, a sort of
Molding mind to accommodate the complexities
Of the present world, it's purely practical oriented
Learning, to nourish mind, to make it bloom, and
Making it self-motivated; no restriction of mind or
Its constriction, child's mind is relaxed with games
And other activities, child finds own solution for
The adversities he comes across, mind becomes
Mature enough to contain the morals, such as love,
And kindness, in fact it becomes too tender; such a
Mind becomes self-reliant, it can cultivate so many
Plants there, plants grow and flower, bear so many
Fruits, plants become big trees, giving shade to many.

ENVY

The nonsensical, rubbish, feeling that arises in human Mind from the dirt deposited there; its reflection nearly Damage the mind with its whims and fancies, projected On others, who by sheer hard work become elevated to Higher level, which this person can't digest or tolerate Always worrying or disgusted with the uplift of the other Person, that hurtful feeling will never fade at any time in His or her life, which won't be there only after the death Of the sufferer; a big devil that spoils the heart, common Everywhere, spoils friendship and love, hatred takes the Upper-hand, tranquility and mental peace, demolished. How to correct it, the great question, only, faith in God Nullifies it, the faith makes every person realize, the soul Of each and every person is godly, a tiny part of God, all People are one and the same before God, the materialistic Possession is immaterial; it is the inner life or its possession That is reflected as a very humble and simple human being And it is valued by God, it is the real richness on the earth This realization will wipe out the feeling of envy from mind.

Copyright © Twig, Dr. K. K. Mathew

ESTEEM

One should have esteem for others when he
Realizes what is he, in the right perspective,
One is weighed before God with what he has
Gained inside, not outside, the inner life, not
The outer life; the endpoint of inner journey
Is zero only, that means, he is nothing and
Everything in him is God only, it is the final
Realization; one knows also, the soul of each
And everyone is godly, a tiny part of God, then
He understands, all others are higher than him.

Copyright © Twig, Dr. K. K. Mathew

FABULOUS

Extraordinary in value, quality and beauty
That traverses heart to soul, the highness
Of brightness inside that glows hearts, to
Call fabulous, the great creation attracts
Everyone with the illumination of greatness
That transcends the magnificence of beauty,
Or creativity, or talents to perform greatly,
Make everything exceptional, pleasurable,
And delightful, to everyone who sees it, the
Glorification of the work makes contentment.

Copyright © Twig, Dr. K. K. Mathew

FLYING

Soul flies and floats, while body remains on earth,
To fly, the great ability of mind to be achieved, fly
Past the adverse feelings and thoughts, if the mind
Is beyond the hardened ones, everything positive
Achieved, as the mind is everything to control in the
World, very soft the mind becomes, if the worldly is
Gone with absolute faith in God, the transcendence
Of purity and holiness exist in the mind; the soul is
Liberated, it flies to the eternity, man on the earth
Gets the feeling of flying above everything, and he
Could reach anything, the most wonderful feeling
On earth, worldly possessions are nothing before
This great feeling; many unknown spheres of mind
Reached, it is the duty of man to explore and find.

Copyright © Twig, Dr. K. K. Mathew

GRASSHOPPER

The helicopter lands on the lawn of home
It hops and jumps, the green mechanism of
Love, jumps on every inch of the lawn, bringing
In fortunes to the home, the wonderful visitor
Of home, has come down from the sky, laying
Eggs on the grass, metamorphosis takes place
The greenish beauty loves man, sensing the love
And touch of man in a magnificent way, too much
Of luck, is poured everywhere, as it is the carrier of
Fortunes and prosperity, where it hops and jumps.

Copyright © Twig, Dr. K. K. Mathew

HAIRSTYLE

All sorts of art on head, event plants grow there
In anticipation of flowers and fruits, bees to land
On it, nectar to be sucked; cut and grow, principle
Of hairstyle, thin hair dealt with many processing,
Countless, vulnerable to take any size and shape,
Dyeing becomes a common factor to make everyone
Young, love falls on types of hair, and love flies on it,
Hair removed the latest fashion, bald head in young
Is loved, combing with central line changed to line
At side, now so many lines, step by step, hair falling
On the forehead, cutting very short the hairs, cutting
Close to the scalp, coloring the hair differently; the
Poor hair is so much perseverant, subjected to the
Whims and fancies of humans, so much of torture,
It is silent always, won't cry, nobody shed a drop of
Tears for it; hair says "let man's and woman's desire
Succeed, I am the victim of their big craze always".

HALF- COOKED

Amazed to see, mind of many are half- cooked,
Inside not cooked properly, outside cooked, very
Soft; it has astonished at least a few, very sad to
See, half-cooked people are sweet outside, sweet
Smile they have, very pleasing talk, they are very
Hard in deeds, absolutely no hindrance to do evils
They are quite unmoved to change their devilish
Path; leaders of this kind have no inhibition to do
Massive killing while they are very keen to protect
Their dear ones, what a contrast, selfishness rules
Them, what for they are doing the havoc, they don't
Know; even at the low level, some are doing food
Adulteration, they are not bothered if the customers
Die of food poisoning; beware of the devils on earth.

Copyright © Twig, Dr. K. K. Mathew

HOLI

Divine love from heaven, falls on earth and
Scattered to different colors, spread on the
People; they in turn, accept it by forgetting
The past, refreshed, the spring to come, the
Winter is over, the decision- making for, good
To overcome the evil, people are to be united
By the colors of divine love, a new beginning,
The dawn comes in the skies, the darkness is
Gone, trueness of love is to be projected, the
Colors of love spread everywhere and bless
Everyone, to be open for divine love to enter.

Copyright © Twig, Dr. K. K. Mathew

HONESTY

The truth that comes out of heart
Never to be diluted, or polluted, or
Adulterated, not to be distorted
Always to be straight, clean, tidy,
Honesty is transparency, one can
See his image in it, the whole world
To be transparent, glass- like, as God
Is so pure and transparent and what
All He created were transparent, no
Dirt anywhere, only man spoiled them,
Man to be transparent like what was he
In the beginning, then only, he is with
God; to be honest, difficult in the world
With so much of dirt, but looking at the
Transparent God, try hard to withstand
The big difficulty, then you become the
Shining jewel, amid the darkness around.

HOW STRANGE THE HUMAN MIND

Knowing the good, but deliberately doing the bad
Soft mind all of a sudden becomes very hard, never
To yield, never to hear anybody, not bothered to do
Massive killing, including infants and women, devil
Conquering the human mind, it is what happening
In wars, man is changing drastically to devil, human
Values are totally gone, cruelty is becoming hobby;
Why is it so, we must ask ourselves, why don't man
Think of his dear ones, at the same time satisfied to
Destroy others, no kindness, mercy or love, what is
The psychology behind it, the devil arises in human
Mind, taking total control of the mind, suppressing
All the human values, doing the havoc; what is the
Remedy, God would have entered and occupied the
Human mind, blocking the entry of the devil forever.

HOW SWEET THE DEATH

Many on earth are down with fear of death
They are threatened with terror and horror
They must realize, sufferings are from body
Body traps soul too in the too much of agony
In physical death, the tortured body is gone
But soul is free from the burden of the body
It lives liberated, glorified, without any agony
So nice to say, how sweet is the physical death!
The soul is joyful, calm, and tranquil, in eternity.

HOW TO STOP WAR

The hardened mind with the rude heart, prompted
One to wage a war, to invade, to acquire more; it is
The sheer ignorance of the truth, miles and miles
Away from the divine wisdom of knowing God that
Pushed the leader to achieve his excessive greed
And makes him really mad, unable to perceive the
Reality of humanism, he is blind and deaf to truth.
War ends only if realization dawns in him, the truth
Touches him, having the wisdom to know that he is
Waging war with God only, as the soul of each and
Every human being is godly, it is a tiny part of God.

I AM HUNGRY

“I am hungry” the words heard in many parts of the World, more so in certain areas of Africa and some Undeveloped countries; the solution is quite simple The developed countries must wage a war against The starvation, instead of fighting against countries And killing the innocent people; equip with measures To replenish, not to destroy; what happens to man’s Brain, it is deranged to buy, make, and store, massive Destructive weapons, not having an eye on the concave Stomach of millions; hey nations, stop the destructive Wars, instead fight against the menace “I am hungry”.

IN SECRECY

Divine elements in man, function in secrecy
Divine actions in man, are to be done secretly
What does it mean, only you and God know
Don't disturb its course, as it becomes manly
What happens today, godly is turned to manly
Hence divinity and godliness are spoiled today
The uniqueness and sublimity of divinity, are lost
Delicate and natural ways, shouldn't be contrived
Then only God is given the supreme place here
It is not by calling God repeatedly, your actions
Only give Him great value; not by speaking loudly.

INDEBTEDNESS

A great quality man to have, to be grateful
To someone or something who have helped
Or influenced him; indebtedness means the
The attachment and extreme loyalty to the
Everlasting love for him, that is God; it again
Means the indebtedness to the God in every
Human being on earth; it is a matter of love
And kindness to everyone on earth; also have
The indebtedness to nature which is also God,
Indebtedness is love and gratitude, which is a
Reflection of an innocent mind, having loyalty.

INFINITY

Limitless, endless, with no beginning, such a
Horizon of freedom, where you, a dove, flying
Freely with much delight, and merging with the
Tranquillity of heart, such is the relaxation of the
Mind, so much of glory to be given to the creator
As he only made the infinity; if the mind is chiseled
With great faith in God, the worldly is gone, soul
Is liberated, it floats in the space of infinity while
The body remains on earth, amid the sufferings it
Faces; it is a great truth, the soul is in the infinity.

JASNA

South Slavic name you have, derived from Jasno
Very sharp and clear you are, the clarity of heaven
Falls on you, so agile your heart moves, so much of
Enthusiasm in you, the bravery sparkles in you, the
Stream of love flows out from you, the water of it
Is so transparent and clear like the tear drops, the
Miracle of love makes you as high as the mountain
So much of confidence in you, that makes you very
Bold and courageous, sincerity your core, faithfulness
Your dictum, you are always on the right path and
Glorified with love of heaven, simplicity, humbleness,
And loveliness, make you great, so much with heaven.

JULIE

The Latin name Julia, crowns you, with meaning of
The word, youthful, soft- haired and vivacious, so
Humble and simple, like the stream flowing in the
Mountain valley, but the mountain in you is so high
Its peak touches the sky, the sun is in love with the
Mountain, kisses it with the rays, the snow melts and
You flow to the valley, the real love flows incessantly
Down and down to the torn land, wets it, the plants
Grow, the flowers bloom, the fragrance spreads; Julie,
You touch heaven, and heaven is drifted to the earth.

KINGFISHER

The blue bird of beauty sits on the tree looking at
The pond below, singing the hymn of the vision of
Happiness that transcends the mode of attraction
To the water body, the golden fish swelled hearing
The song, calls the bird with the music of the water
To be carried to the tree with its long, dagger- like
Bill; the moment, the bird dived deep into the water
And flew back with fish caught with bill, now on the
Tree, swallowed it completely, and very happy to
Have the fish inside, filling the stomach, too much
Of enthusiasm to have another catch, but no space
In the stomach, the long wait comes, to consume
Again, the long bill opens and the music comes out.

KNOT

The knot, what should I say, approximated the
Souls together, as expected, the hearts together
And unison of integrity together, the union as one
Takes place, what is the knot, it is the faith in each
Other, never to get loose, never to break, union of
Attitude together, the knot unseen, but seen with
Heart; the knot with God, should be extremely tight
It is the union of oneness with Him, man becomes
Part of Him, God guides, He nourishes; the knot with
Evils, it should be around the neck of the devil, and
It is tightened, devil is suffocated and strangulated.

LISTENING

Part of beauty in humans, is attending to others,
Sound, or action, the way to reciprocate with
The attitude of acknowledging what is being
Heard, trying to understand what it means;
Listening starts with motivation to hear and
Attend; it may include receiving, interpreting,
Content and responding to others, with verbal
Or nonverbal messages; attention is very much
Needed for concentration of mind and learning;
Education depends on listening, it is a wonder
To engage everyone for having enhancement
Of mental, as well as intellectual development.

LOVE NOT A WORD

Love not a word, not to be used for gain
Not to be spoken, not to be imagined or
Thought, the spontaneous flow of a stream
In the woods, no effort done, but it flows
Slowly, it ripples, its murmur is musical
Love is unseen, but it echoes, not outside
But in heart, sometimes in soul, it kindles
Faint light in vacant, barren, heart; it is a
Lightning without thunder, it comes and
Goes slowly, it is felt honey-based, tasted
So sweet, but nothing on tongue, fragrant
Inside, but nothing there; love is the soft,
Gentle, breeze that sweeps across the heart.

Copyright © Twig, Dr. K. K. Mathew

LOVELESS LOVE

Love is there outwardly but nothing inside
It is the man- made love, not God- made
Artificial, not natural, brings love, but not
Spontaneous, lifeless, it makes everything
But no base, artificiality everywhere, but
No spontaneity anywhere, we live in an
Artificial world, everything dry, rain is very
Scarce, the land is torn, intense heat burns,
Clouds to assemble, rain to come, but the
Sky is vacant, many of the hearts are empty
Only few beat rhythmically, something is lost.

LOVING AND GIVING

Loving, much better than being loved
Giving, much superior to being given
Pleasure is very much, to love always
Never that much, when being loved
As you never expect anything in return;
Loving and giving, the great acts in life
Love and kindness go together always
Not mistaken to call them one and same
True love can never withhold giving,
Loving by everyone, the earth a heaven.

LUCK

Luck, good or bad, falls on head from above
Without any prior knowledge of it, a miracle
Itself, panicky, one calls it luck if it is good
And fate if it is bad; the unseen hands of a
Superpower in it, many believe; whatever it
May be, it changes drastically the life of the
Person concerned, a sort of quite unbelievable
Event happens, the magic of human life, man
Doesn't know it or foresee it; what a believer
Looks at it "let anything happen, God sees it".

MARIUPOL

Mariupol, we salute you for your extreme patriotism
And bravery, as you are the shining star ever in the
World history, never anybody to compete with you;
Citizens of you, starving for weeks, utterly helpless,
Physically and mentally, might die of starvation at
Any moment, rejected the ultimatum by the invader
To surrender otherwise to face the catastrophe; your
People exhorted, better to die than to surrender,
How proud of you we are, the world is watching the
Great sense of sacrifice of your people, the agape, your
People have for own country, never to see it in history,
Never to see in future; lesson to the whole of mankind
Of uplifting your esteem, dignity, and self-respect; the
Blood in all of us rushes through the arteries with the
Extreme pride for all of your people, never it will vanish.

MIND

Two in number, the outer and the inner
The most powerful on earth, taming mind
Is the most difficult job, very few achieve it,
Taming mind is like taming wild horse, once
Achieved, the person owns everything in the
World, the great possession is mental stability
And tranquillity of mind, as mind can be placed
Above all the tensions and worldly aspirations,
The person feels the satisfaction of possessing
Everything in the world, as he feels, all worldly
Materials are valueless, and he doesn't want to
Acquire them physically; after taming the outer
Mind, the person has only one aim, to find and
Reach the inner mind that is the soul, once he
Could achieve it, he has gained the maximum
On earth; it is possible by intense faith in God.

MOTIVATION

The desire and pleasure come from the depth of
Heart, something unseen draws forward, energetic
The mind becomes, the unseen inspiration inside
The outside inspiration sometimes added, mind
Becomes a machine, energized action comes, the
Positivity arises in mind, negativity subdued, keeps
On executing one after another, it goes on without
Any break, the weakness and laziness, gone, the
Perpetuation of ideas and thoughts effected, man
Becomes more agile, heaps of work done, a lot of
Enthusiasm filled to stride on the path to success.

NARROWNESS OF MIND

Mind is too narrow to accommodate the
Vastness of truth, once the truth is in mind
It catches fire, the truth is boiled, evaporated,
No truth is left inside, mind can never contain
Reality so long as narrowness is there, mind
Is widened when it is chiseled with pure love
Only, and the unholy love removed, the flame
Will glow and the mind could read the truth
Clearly, and accommodate it inside; the narrow
Mind should open only when pure love flows in.

NIGHTINGALE

The brownish beauty with rufous tail, singing
From heart, the voice of love, continuous for
The lover to be heard, the heavenly beauty
Of the romantic song from the heart of the
Bird, falls on the love- filled heart to work on
The affinity of love, its tranquillity, sweetness,
And fragrance, are deposited on magnitude
Of fondness, of the mate; she goes to him with
The desire of loveliness, that blesses both birds
Together, the horizon of love melted, sweetest
Honey drips into every romantic heart to beat
Musically, the music of love arises from each one,
The birds sit together on the tree, approximated
As one, the magnificence of love showered up
And down, love spreads as music of heart, the
Hardened hearts soften, the music of love echoes.

NO COMPROMISE

Nothing to deter the convictions made, and
No compromise on one's own integrity, no
Yielding in the adherence to honesty, never
To break the backbone of truth, and never to
Adulterate the love of heart; always to break
The attachment to evils, selflessness is always
To flourish, love in one, to be pure always and
Justice to be established, never to be attached
To injustice, faithfulness to glitter in heart and
Soul, kindness of heart should be focused on
Others, never to hurt the heart of anyone, no
Compromise with devil, but compromise with
The stability, dignity and personality, never to
Decline, but to be strengthened with pleasure.

OLD IS GONE

Old is gone, new to come, the truth occupies
Everyone, born with so much of dirt deposited
On heart right from the beginning, get it wiped
And come close to God and God guiding; it is the
Aim of human life, renewal, the great theme to
Have, getting renewed, is the greatness of life,
Lagging in the process, puts man in peril, and
How to be renewed, the question is, old self is
To be gone, the dissection of the mind with the
Scalpel of absolute faith in God, and the renewal
To be taken place at every moment, the new to
Come at every second, man is becoming the new,
The autumnal leaves have fallen, spring has come.

OUTSTANDING

Exceptionally good, happy to say extraordinary,
Each man and woman is outstanding, the great
Creation of God, each one is neither superior nor
Inferior to the other one, equality is maintained,
The supremacy of God is established in everyone
The creation of each one is a miracle, the way a
Human body is functioning, beyond the human
Comprehension, man to see outstanding work of
God in everyone, the outstanding creativity, such
Breathtaking skill of God, infused in every man and
Woman; the word outstanding stands nullified as
The whole credit of what all, man does, must go to
God only; God is the creator and He is super brilliant.

OWL

Angry looking hunter, ever ready to catch the
Preys mainly at night, frightening the look and
So threatening its projected eyes, planted on the
Rounded but flat face, ever to explode at any time
The hawk-like beak is to catch, and cut to eat, the
The staring look of manly face with the binocular
Vision and hearing with sharp talons, always sharp
Is really a hunter hunting at night, never it is calm
Or tranquil, but volatile to catch preys and eat, its
Feathers adapted for silent flight, its color usually
Indistinguishable from the color of the wood, the
Silent killer is so tricky, slowly and gently falls on
The preys, really a wonder the bird in its creation.

PALM LEAVES

Significance and symbolization, make palm leaves
So lively, the inside filled with holiness, the outside
With beauty, the greenness mixed with yellowness
Make a hue on hearts, that is the touch of Jesus and
Prompting the vision of Jesus entering Jerusalem so
Triumphantly, the palm leaves praise the glory of Him
The transcendence of the glory of God on earth, and
Prudence of having Him in hearts with magnificence,
His great love, the agape, and kindness, to make us
Think of our great indebtedness to Him; palm leaves
Bring holiness to our hearts and we are to accept it.

PERPETUATION

Continuation and preservation of all goodness
In man, with a range of dissipation of the inner
Senses so high that one can bid goodbye to the
Evils, realizing the greatness of value- based living
Over the wavering and confused life, indulging in
The haphazard fashion; a way to look at the top
Of the glory hanging from heaven and the attempts
To catch it and live with it; the great realization is
Very culminating so as to perpetuate with the morals
To live, by gaining willpower to discard antagonizing
Factors, and to possess crown of good thoughts and
Deeds, to live with pure love, kindness, and selflessness.

PITY

Pitiable the hearts that speak volumes of the
Goodness, preaches for generosity, selflessness
And the principles of love, the hearts are closed
When it comes own matters, just the contrary to
What the hearts preach; it is the main cause of
The downfall of human values; degradation, and
Degeneration, take place in many, leaving hearts
Open in a few only; wars are waged with closed
Hearts at the top, inhuman acts, and cruelty, are
Products of closed hearts, let all the hearts open.

POETRY IN CRICKET

Synchrony, rhythmicity, fineness in movement
All make the poetry in writing, the game becoming
Poetry with the movement of the batsman like the
Deer, the bowler like the dancer, the movement
Of the wrists musical, the fingers twisting, delivering
The ball of music to the batsman and he accepts it
His body movements, finest in variety, excels the
Magnificence of beauty, typically musical, hits at the
Ball of music, brings the combination of poetry and
Music, the poetic music played in the field, viewers
Too sing, the poetry recited everywhere in the world
What a fantastic game it becomes, the poetic play
Man should find the poetry in all games, poetry is
Written, recited musically, hearts absorb the poetry.

POETRY THE EDIBLE

The truth inside, its fascination, attraction, beautifulness, Sweetness, fragrance, heart touching, and soul- stirring, all Together or separately, caress human mind with solace and Tranquility, move to the total contentment with no hunger And thirst, the unseen edible in the stomach, that boosts the Vigor of the mind and body, and digests the inquisitiveness to Realize, to taste, and relish, the magnitude of sweetness, of Poetry, in a way to read the poetry many times and grasping The cream of it, moving to the projection of the fondness to Be attained, everything thrilling in mind, swallows the greatness.

POETRY WRITING, A DISCOVERY

Mind is calm and vacant, nothing there to type
But there is an instinct at the bottom, to type on
The screen, what to type, no idea; what a wonder
The poet is in a new horizon, so many stars there
Twinkling, one falls before the poet, it tells many
Stories, poet starts typing, he had no idea about
It before, with great speed he types; once finishes
What the star is telling, the next star falls before
Him, the new box of mystery is revealed, like that
All the other stars fall, he keeps on typing what is
Told, he doesn't know what he typed, it is purely
A dictation and typing, a new discovery is made.

PREDOMINANT

Superiority from above, the predominant in everyone,
Finds it, recognizes it, is all that man to do, to fulfill his
His life, those very few, admit it, follow absolutely the
Superiority from above, they feel very little of them, as
They are fully dependent on the superiority of the above,
They are simple and humble, as they feel fully that nothing
In them, everything is the great power from above, flowed
To them, they love others, recognize them; the majority
Is not like it, they give superiority to the world as well as
To them, they think they are much superior and the world
Is everything, they hold the world so tightly, they can't
Lose the grip on the world, the feelings pull them down.

REVERSAL, A GREAT TRUTH

We look at each other from bottom to the top
As many can't look at top, they look horizontally,
One might ask question, in man, what is the top?
It is the soul, the root of the human beings, the
Rest is the body; inaccessibility of soul, only makes
Man more approximated to body, hence relationship
Occurs between humans with body and mind only;
Soul to soul, approximation or relationship occurs
Very rarely only, that is the perfect and correct one,
It is the lasting one, the approximation with mind and
Body should be a reflection of it; the total reversal of
The events should take place, soul first, body second,
Then only, the love and relationship, become eternal.

SARCASM

Too sweet, is the smile, but the tone is different
Very friendly the talk, but the facial muscles tilted
To one side, sweet the words, but the expression
Is just the opposite, contradiction in words and the
Gestures, the use of irony to convey contempt, the
Easiest way to hurt somebody, ridiculing someone
With sarcasm, is condemnable, as it is more hurting
Than hating somebody, it is a sort of cheating with
The concealed weapon, man shouldn't resort to
This type of trick; be open- hearted and tell the
Displeasure, it is highly dignified behavior, equal to
Respecting the person, to be brought to the flaws.

SELF-REALIZAION

To know oneself, is the aim of human life
Without you know yourself, how can you
Judge others, and you know what you are
The first thing one should do in his or her life;
Finding yourself, is finding God, self-realization,
It is by searching and finding, the inner journey,
The continuous dissection of mind with scalpel
Of intense faith in God, the dirt one after another
Removed from mind, worldly is gone, you are
Approximated to the truth, you realize, you are
Nothing, everything is God, the final realization.

SELF-RELIANCE

The great quality one should achieve,
Depending on own self, not on anybody,
Such a wonderful ability one to achieve
If one realizes the presence of God inside,
Such a fantastic realization makes you to
Go inside of you, and find God personally;
You depend on God, and He guides you;
Self-reliance means depending purely on
God inside, you feel the strong association
With God, you become so confident in you
The strong determination, you can, you will.

SILENT CONFLICTS

Winning the life, is winning the difficult conflicts in you
The successful life to be achieved, is passing through
So many conflicts in mind and winning that, and find a
Solution; the inner life is a narrow path with so many
Hurdles in front, each hurdle is a battle to win and with
Absolute faith in God, one can win these battles, one
By one, taking a lot of time to solve each difficult problem
To proceed further, mental and spiritual exercises done,
Much needed wisdom gained, result of the exercises is,
Lot of inner joy and contentment gained after solving each
Difficult problem; it is the real inner life which only God
Counts, the tool needed to solve the problems, is absolute
Faith in God; by winning the battles that your mind only
Knows, you reach the end of the path, you are near to God.

SILVER LINING

Mist of happiness to come, I hope, on seeing
Far in the sky, the frightening dark clouds that
Threatened not to rain, the terror and horror
Accumulated in heavy dose around the heart,
Anything might happen at any time, may be, I
Break into pieces, such a dreadful day, I have;
My heart sees it, high up in the sky, among the
Threatening clouds, a feel, a line, silvery, peeps
With a smile at me, stayed there for a moment
Only, it is all what I need, imaginative and poetic
Vision comes in me, so much glorifying the sight,
The magnificence of beauty comes down from
Heaven; an angel, flies down into my heart and
Heart starts beating musically, the song of soul,
I'm absorbed in it; I feel I'm lifted to the heaven.

SOUL MATE

Two in one, the bodies separate at far- off places
But the soul fixed with the other one, with adhesive
Of trust, forming one, tranquillity of love circulates
Around the two souls, purity and holiness in between,
Love of perfection with non- involvement of bodies
But the souls together forming the wonder of unseen
And undetected divine love, to have sweet thoughts
And feelings only, nothing physical or materialistic,
The love can be placed in eternity on earth, feeding
With the magnificence of holiness, and lasting forever.

SOUL TO BE RELEASED

Anything happens to soul, is reflected on body
As they are the constituents of the humans, and
The ailments of the soul reflected on the body;
Now the focus on the soul, the simple logic, if the
Soul is targeted, the body is released; ailment of
Soul is, immobilization of it by the excessive thrive
For the worldly; it is released only by intense faith
In God, the body is also automatically released, it
Gets a lot of immunity to withstand any adversity,
Dreadful diseases are overwhelmed by healed soul.

SPIRITUAL HEALTH

The status of soul and body to withstand anything Adverse, how severe it is; it is not to prevent, but to Face it with courage, with very little pain, and without Losing much energy; you can challenge anything that Is detrimental, as you have the great feeling, God is with You and taking care of you; such big faith, such great Feeling, such huge confidence, make mind steel- like, It withstands adversity, overpowers; it is the spiritual Health, so powerful, it can't be subdued, it wins; the Power in you is central, not peripheral, it is to live most Successfully on earth; living in the great shadow of God.

SPIRITUAL JOURNEY

How many of you had the inquisitiveness for the
Divine truth, that is in front of you, to be reached?
The strong feeling in you to find it, is the aim of life
Strong desire overpowers you to move forward to reach,
Unless you find it, how can you lead a perfect life here?
Journey starts, with self-learning without anybody's help
You realize, it is self- dissection of your mind, the journey;
The scalpel to be used for the dissection, is faith in God
The dirt in mind is dissected by faith, dissection continues
For decades, the more you go towards the destiny, your
Faith in God intensified, becoming stronger and stronger,
You have to face so many hurdles on the path, but the faith
Pulls you up to jump over the hurdles one after another,
Very perilous journey but faith is your rescuer, the deep
Senses in you open, when the world and the worldly gone;
The faith becomes unbreakable, the barrier between you
And the truth is crushed, you are approximated to the
Truth; you come to the final realization, you are nothing
And everything in you, is God only; the truth in you, is God.

SPIRITUAL WEALTH

Man to know, spiritual wealth is much superior
To the billions of the world; approximation with
God means, you entrusted everything to God and
God is looking after you completely, you don't have
To worry about anything, everything is under God's
Scrutiny, you have only one duty to perform, just to
Follow God only; what a great feeling you have, the
Great relief which is eternal, each moment, you taste
Most beautifully, which you can't dream with worldly
Possessions; does man ever realize this great truth?

THE EARTH SURVIVES

The other day at Thrissur, in India, a woman
On her mission to find fund by contribution of
Many, for kidney transplantation for her sister's
Young son to survive, went to a bakery, pleading
For money; the owner of bakery, after a thought
Said, he won't give money but he will donate his
Kidney if it is matched; the woman took it as a joke
But the owner of the bakery, was serious; the next
Monday, he goes for surgery to donate his kidney for
The poor man; such kindness is seen amid bombing
And mass killings; heart whispers, the earth survives.

THE FIND

Meaning of life achieved only, if you find
Something genuine, new to the heart and
New to the mind, the lifelessness becomes
Lively, the pleasurable thoughts attached,
The contentment of soul gained, blessed
Life always fixed with pride and the feeling
Of having done something with triumph of
Having found something, especially finding
The truth inside, and revelation of godliness
Attained; the truth of finding something in
Life, it overwhelms the monotony of living.

THE PSYCHOLOGY OF WAR

Greed only, it is greed only, that overpowers man
He becomes a victim of excessive desire, multiplication
Of what one really needs, the desire accumulates and
Takes the form of a highly potent devil; the devil can't
Stay silent for long, it needs action, it wants to conquer
Others, it explodes, it keeps on attacking others, never
To stop, even if it wants, the explosion by the devil goes
Beyond the reach of everyone, it becomes inexplicable
And uncontrollable, the havoc is far- reaching, destruction
Everywhere, the mania of killing and firing has become
An amusement, mental stability is gone in the war craze.

THE REAL MEN

One day, the father of a famous young man in India
Found on his morning walk, a woman in shabby and
Torn dress, sitting on roadside with her daughter child
Sitting on her lap, begging, it seemed child was hungry,
The father was deeply moved by the miserable plight of
The child and was thinking seriously, if he could adopt
The child as own daughter; with her mother's permission
He adopted the child as his daughter, she grew up with
His sons and another daughter, she was cared and nursed
Just like other children; she was sent to England for higher
Studies, later she was given a big establishment to work;
Her marriage was arranged with big celebrations, elder
Brother gave her, wedding gift worth millions, when the
Child was born, another similar gift given; she is running
Her big establishment, and her net asset is worth billions
How great are the father and his children, the real men.

It can thwart nuclear bombs, it is the great story of
Of people of a nation, fighting with heart and soul
Their morale is lifted to heaven, fixed with heaven
And heaven fights for them, it is the key to success
The heroic acts come spontaneously, it is the power
Of God in them, resilience is fantastic, the ultimate
Victory is for them, the shedding of blood won't be
A waste, never it is, their tears will be wiped by God
The pain they bear will definitely crown them at last.

TO BE WITH

To be with God through the thick and thin
Plead to Him and glorify him, tribulations
You bear, are to purify your mind, the dirt
Expelled, faith in God strengthened, for you
To be approximated to Him; and you to hold
Him very tightly always, never to lose your
Grip; now you are fixed with Him, with the
Adhesive of strong faith, you become a part
Of Him, you feel very strongly, you both are
One; what a feeling, the greatest on the earth.

TO BECOME HUMANE

Take out the periphery, like the first man
In the beginning, the periphery is what he
Has acquired as a result of his extreme
Passion for the worldly; the center being
The soul and the godliness, what are they?
The love only, love is made of kindness,
Love and kindness, the core of every man;
The periphery should become weak and
Center active, man to become what was
He in the beginning; love, kindness, guide
Man, and now only, man becomes humane.

TO THE POINT

What we do mostly, is out of the point,
To the point, very little or nothing at all
We might ask, why does it happen to us?
Answer is simple, our root is out of place
It is in the sand, not in the fertile soil;
Remove the root from sand, plant it in soil,
Unless it is done, whatever we do is out of
The point, we do voluminous but nothing
Inside, fully empty; we always try to inflate
Ourselves, but not anything for others, as
We are out of the point; life has a purpose,
Life becomes contented, only if we could do
A little bit for others, for society, for nation
For world, otherwise the life is purposeless.

TWIG

The slender woody shoot from the branch of
The tree, so soft and tender, it bends, never to
Break, it carries the beauty of the tree, and the
Magnificent love buds at the top, with the input
Of affection from the tree, it grows and flowers
So many colorful fruits hanging, the hefty tree
Makes a wonderful show of twigs, dancing in the
Wind, attracting the hearts of many, craving for
The fruits, the ripened fruits fall down at times
The sweetness of the fruits spreads everywhere;
The mind is reflected as twigs, wonderful settings
Of tranquil thoughts, mind is detached from the
Twigs, divine thoughts flower, bear sweet fruits.

TWO DROPS TOGETHER

Two raindrops together, fall on the ocean
Dissolved in it, swell and swell, forming
Part of the big ocean, the drops add more
Value and color to the ocean, the two drops
Can't be singled out, as the drops are in the
Water body, the boats and ships, sail over
The drops, the fish kiss them, the greatness
Of the glory of union projected; man and
Woman joined together to form formidable
Multitude, nobody can be singled out, each
Person is more valuable than the other one
All together beautify, glorify, the barren earth.

UNRESPONSIVENESS

Human mind unresponsive to goodness, is the biggest Problem world facing today, the hardened mind doesn't Yield at all, evil rules the mind, evil guides it, such mind is Seen everywhere, the people are not bothered about the Consequences, "let anything happen, go to hell", it is their Thinking; the invader is killing thousands including women And children, the cruelty continues; the food items are seen Adulterated, the makers are not bothered if the customers Die of poisoning, making money at any cost, is their motto, Human life has no value now, robbery and sexual assault Become common affairs, the unresponsiveness of human Mind to morals, brings the world to hell, where are we to?

WATER

Really God on earth, retains the life of every
Human being and all living creatures, sufficiently
Supplied on earth, mainly to drink, to cook and
To wash, the most precious matter on earth, it's
Constructive, antagonist of partly destructive
Fire, it cools the heat, it is an inorganic chemical
Substance, colorless, tasteless, odorless, and the
Most valuable substance; it is to be conserved
By every human, otherwise the earth will perish
It is convertible to ice which melts to water again
Man is so lucky to have this wonder, it is love only.

WHEELCHAIR

The glory of her, rests on a chair walking
A part of her life, it tells the story of her
Bravery, through the thick and thin, it was
With her throughout, the shadow of her
Greatness, in fact it only made her so great,
She did all her work on it only, she became
World renowned, people from all walks of
Life, loved and adored the wheelchair too
As it has become her shield, and it seems
Without the chair, she is less prerogative,
Many hold it with great fondness, as a mark
Of respect to her, wheelchair is better known
And she is called the “wheelchair scientist”.
She is no more today, wheelchair is pushed
Out of the home, the dust and rust crown it.

WILDFLOWERS IN WILDLAND

The beauties scattered in the wilderness, the very
Few in the multitude of wild plants, on the side of
The remote paths or in the bush, and the loveliness
Peeps through the dry leaves decayed in the soil,
The few flowers, white in color, call the passengers,
Smiling at them and bidding goodbye, may they be
Ancestors having rebirth on earth, pay a short visit
To see their new generation, how they are, how do
They treat us, the heartiness of heaven with the
Loveliness of earth, the two form the sweetness of
Memories, flowing to the reservoir of the mindful
Life of the past and present, to look for the future.

WIPING OUT BAD MEMORIES

Memories make human life what it is
Good memories are sweet to relish
Bad memories, horrifying throughout
Is it possible to get rid of the bad ones?
No, the answer, unless brain is diseased,
But if God gets in, bad memories fade.
Intense faith nullifies the worldly in man,
Pull, of memories, is weakened and gone
Mind is to concentrate on the present only
The intensity of the past, is gone forever
Mind is filled with present, not with future.

WORDS DEEP FROM HEART

Heartbroken to read and see the miseries of the
Innocent people, wounded, fled, and dead, what
For they are facing extreme torture and hardship?
No mistakes done by them, they are forced to flee
From their safe homes, very sad to see their homes
Devastated, own land is bombarded, Christians fight
With Christians, the Christian leaders must realize
What did Jesus Christ teach, "Love your neighbor"
Love, kindness, and forgiveness, are great weapons
Thousand times more powerful than intercontinental
Ballistic missiles and hydrogen bombs, it is the truth,
Love your neighbors and forgive them, then only you are
Christians, never wound Jesus Christ very severely again.

WORDS OF SOUL

Very simple but very effective, cent percent
Guarantee; we plan a lot for our future, always
Thinking of that, planning keeps on changing,
It goes erratic, it doesn't come on as we wish,
Defects creep in here and there, trying level best
To detect and correct them, but it is in vain, going
To experts, but not perfect, only grief fills heart,
Despair invades mind, twists and turns, quite
Unexpected events happen, manly power found
Ineffective and useless, what to do, the worry
Continues, life becomes heavy and quite hopeless.
Why didn't we entrust the plan to the most perfect
Person, our God, we forgot that, it was big slip,
Never mind, entrust completely the planning to
God and plead continuously, we need not worry
About anything, become calm and quiet, and we
See miracles of God happening, everything perfect.

WORLD HEALTH DAY

Many truths, man to know
Keep the nature as own baby
As nature is God only; protecting
Nature is safeguarding own health;
Physical health is the reflection of
Spiritual health; medical science
Should know, what is soul, what are
The diseases of the soul, how the
Healing of the soul is achieved, then
Only medical science is complete,
Incurable disease becomes curable;
Save our planet, and save our health.

WORLD POETRY DAY

Soul says, heart sings, the beauty of humanity
It echoes everywhere, the powerful catalyst for
Peace, the love bubbles with the fragrance of
Friendship, the world is united as one, man is
One, to be connected with chain of absolute truth,
Petals of truth to be scattered everywhere on
Earth, it should expel the darkness, tranquility
Should flow to the corners of earth, poetry isn't
Words, but the great theme of truths behind
That is more powerful than the lethal weapons
Cut and mold the human hearts, man is changed.

WOULD HAVE BEEN

Would have been better, if man concentrated
More on inside than outside, then earth would
Have been a heaven; build a good man first and
Make him useful to society, it should be the motto
Of human life; find God inside first and then do the
Rituals outside, but it shouldn't be the reverse as
Searching God outside without finding Him inside;
Everywhere we see trees grow without strong roots,
Rootlessness is the big problem, world facing today;
Search inside, if nothing is there, try hard to fill inside.

TWIG

DR. K. K. MATHEW

Dr. K. K. Mathew's poetry book TWIG speaks of compassion for all living things. He writes many thoughts of guidance on everyday living and walking with Jesus as a guide. Poetry has been part of his soul for many years. Nothing I write can ever do justice to the beauty of this man's soul that flows into his written word. His book TWIG is a blessing to humanity dictated to his soul by Jesus Christ.
